Remote team management

EA SPORTS™ FIFA 23 Companion – auxiliary application with the ability to manage a football team for Android devices. A useful Android app in which you can create football squad and manage it, take part in exciting events and complete tests. You will be able to track your progress and receive rewards without tuing on your game console. The transfer market will allow you to buy and sell players, trade with other FUT members and take your own team to the next level . In the application, you can exchange unwanted players and get players for missing positions, club items and card sets.

Large list of features

Players will be able to change and improve the stadium at their discretion. You can change and customize absolutely all the details, from the music to which the players go on the field, to special equipment. You can download the companion app for Android for free and manage your favorite football team without having to tu on the console. The application allows you to manage various events, take part in competitions and unlock rewards for the club and the FUT community.

There's nothing more fun than playing games with friends online! We offer all sorts of two-player games including 1 v 1 Fighting Games, work together in two-player Co-op Games, play with 2 or more players in our Board Games, play Basketball, Soccer, Football and more in our Sports Games, or discover dozens of other games. Examples of popular two player games we have are TicTacToe, Master Chess and Basketball Stars. Whether you like to play games together and be on the same team by battling against the environment or competing against each other, we got it all!

You can play our online 2 Player Games on your PC, mobile phone, or tablet without downloading anything. Access our web games from your browser for free. Our games can be played without Flash. Most of our 2 Player Games can be played together on one computer. Some of the games you can also play together on different computers, see our .io Games or Multiplayer Games.

How to Play 2 Player Games?

Most of our 2 Player Games require just one computer with one keyboard. The keys are mentioned in the walkthrough, game menu, or description. For example, one player uses the arrow keys while the other uses the WASD keys. So, share the screen and keyboard together and enjoy playing.

Most of our 2 Player Games can also be played on mobile phones and tablets. Here the screen will be divided into multiple parts, and each player controls from their own part.
