Absolutely Terrible Bookmaker

Absolutely terrible bookmaker.

Created an account, did

their welcome offer, was granted the free bets and back up bets, to then be stake restricted to 80p on every bet I attempted to place (with the free or back up bets).

Contacted their live chat and was told I was no longer eligible for bonuses (despite being given the bonuses already).

I explained that this was not legal as they had not

informed me previously and can not impose restrictions on my account for a bonus that I had already qualified for. As you would expect I just had scripted responses that did not answer the questions I posed. I accept that you will not offer future bonuses, however you can not legally prevent me from placing free bets I had already fully qualified for.

Later that day I received an email stating that I was not eligible for future offers but could use the "full value" of any free bets I had already received.

If I had not of contacted live chat, this would have been the first I was told of this.

When I responded to them to show that they were preventing me from using the "full value" of the bets, yet again I was told that I was not eligible for free bets, despite them being on my account but only being able to use 80p of them and not the "full value".

I was then told that this would be escalated to look into it further and I would have a response in "24-48 hours". It has now been a week and nearly 10 follow up emails from me and I have heard nothing.

I have already raised a case with IBAS, as

they are now ignoring my emails, when I point out that I was not able to use the "full

value" of the free bets and will continue leaving negative reviews wherever possible.

You have my contact details, so feel free to get in touch to describe why your non-existent customer service feels it is suitable to break the law and then ignore me.
