The soundtrack in this April 2024 release is (what else?) the famous 1829 overture bearing the folk hero's name. The 4 game is set in the Alps at summertime, and the reels are enveloped in the wooden outline of a Swiss 4 cottage for a great look incorporating green hills, snowy peaks plus a chalet or two.

The story goes that he assassinated 4 the tyrant Gessler and, having been sentenced to death along with his son Walter, was given the chance to live 4 by shooting an apple from his boy's head, which he duly did.

Powered

by Yggdrasil Gaming, Wilhelm Tell is a five-reel 4 slot with three rows and 20 Paylines produced in collaboration with the Bwin Group. As the name suggests, its inspiration 4 is the legendary medieval Swiss crossbow marksman.

How to play

Play Wilhelm Tell across

all devices, from 10p a pop and up 4 to £50 a spin on any device – meaning all budgets are catered for here.

Among the symbols on the reels 4 are the playing-card suits making up the lower payers, while three characters are among the more lucrative icons. These include 4 a knight/guard, Tell himself and Gessler the Tyrant – sadly, crime does pay here, since evil Gessler is the most 4 rewarding emblem, paying 7.5x stake for five on a single Payline.

Special features

Special symbols

The Wild is the lad of the legend 4 with

an apple on his head and tied to a tree. (Clearly, he's Walter, Tell's son.)

He appears

stacked three rows 4 high and replaces all icons save the Scatter. In this way, you can land full-screen Wilds, rewarding you with up to 150x stake during the base game.

**Bonus**

features

Free spins

A definite high point of Wilhelm Tell, this perk is sparked by

4 landing at least three free spins Scatters wherever you like on the reels. Land all five Scatters to enjoy a 4 reward of 500x overall stake.

Once this feature is active, you have three choices to play with:

One free spin plus a 4 50x multiplier (win up to 7,500x stake per spin)

Five free spins plus a 10x multiplier (win up to 1,500x stake 4 per spin)

10 free spins plus a 5x multiplier (win up to 1,500x stake per spin)

This bonus

can't be retriggered.

**Wild Nudge 4 feature**

Essentially, this just means that Wilds can

'nudge' to fill up a whole reel if a winning combo is guaranteed. 4 It also helps that Wilds can show up on all reels.

**Jackpot**

You won't find a progressive jackpot, but as

mentioned above, 4 you can potentially win up to 7,500x stake.

**Return to Player (RTP)**

You

should find this slot low to mid-variance, with a 4 29.5% volatility score. So you may need some patience, and, as ever, a little luck, while winning potential during the 4 main game is relatively low. RTP or Return to Player in Wilhelm Tell is a welcome 97%.

**Verdict**

Industry reviewers have praised 4 the design and high-quality graphics of

Wilhelm Tell, while also sometimes remarking they found the number and type of features 4 on offer quite basic. Equally, the gameplay is comparatively simple.

Some do feel

there's not enough bonus-game action, and as one 4 reviewer pointed out, why not have an apple-shooting bonus round?

Give it a go in free demo mode – and let 4 us know if you reckon it's a hit or a miss!
