While a forward pass may only be thrown once per down by the team on offense from within or behind the neutral zone, there are no restrictions on the use of lateral passes; any player legally carrying the ball may throw a lateral pass from any position on the field at any time, any player may receive such a pass, and ...

#### aposta sport net

A pass consists of an intentional transfer of the ball from one player to another of the same team. Examples of sports that involve passing are association football, basketball, ice hockey, and American football.
