What Sportingbet and BWin do and do not Offer

Both Sportingbet and BWin offers customers some great modern day betting features.

Both Sportingbet and BWin offer traditional sportsbook betting where you bet against odds that have been created by the bookmaker. Sportingbet offers betting on 35 sports while BWin allows you to bet on 35. There are very few companies that offer a betting exchange website and platform. Exchange betting is a recent phenomenon within the betting world.

If casino betting is more what you are after, both Sportingbet and BWin offer casino betting.

Sportingbet and BWin also offer casino betting if that is what you fancy. Sportingbet offer 0 casino games while BWin offer 0 casino games.

Sportingbet and BWin also offer players poker games.

Sportingbet offer a total of 200+ games while BWin have a total of 300+ games. One site have more games isn't necessarily better, what is important is a gaming site is able to offer exactly what you want, right now.

BWin offer much less services for their customer base but this doesn't mean that they are not as good as Sportingbet. You could simply say that they are more of a traditional bookmaker who offer good odds for their clients.

Sportingbet and BWin Commission Rates

I would like to start off by saying that when using a traditional sportsbook you should never be charged commission on sportsbook sites like Sportingbet and BWin. The only reason you will be charged commission on Sportingbet or BWin is because you are using their exchange site if they have one.

Sportingbet and BWin Reliability

In this case we would like to give praise to both Sportingbet and BWin. This is because although they differ in many areas when using their websites you can have complete peace of mind that your your money is in safe hands and the stability and reliability of their websites is something close to 100%.

Both Sportingbet and BWin offer good support options including 24 hour 7 days a week support and live chat. Both Sportingbet and BWin are licensed and regulated. You can learn more about the Sportingbet and BWin regulation and licensing below.

Sportingbet and BWin Usability

Both Sportingbet and BWin have great usability and are well designed.

We would say BWin has better usability overall than Sportingbet. This is simply because there are more features available with BWin over Sportingbet. The overall features and use of the site is more appealing with BWin.

Sportingbet and BWin Technology

Technology is crucial these days if you are serious about your betting. You want to take advantage of all the stats and data available to you and with BWin is simpler in design and will not provide as much information as we know some of you will like.

The odds will fluctuate between both sites so we recommend that you have both of them in your arsenal but generally speaking we prefer to use BWin.

Sportingbet and BWin Welcome Offers

The online gaming market is very competitive, as a result gaming sites offer new customers great incentives to sign up and bet. These can be anything from free betting credits, cashback to improved odds. These offers are changing all the time. Both Sportingbet and BWin offers some fantastic welcome signup offers on their websites.

Sportingbet and BWin VIP Accounts

Both Sportingbet and BWin offer VIP accounts (See bookmakers with VIP accounts here).

Sportingbet have no Sportingbet VIP accounts.

VIP bookmakers can be very profitable to punters. This is because you can be continuously rewarded for using a website. The best VIP programmes pay you money regardless of your level

of success. You will often have a progress bar that you will need to track to see how close you are from becoming a VIP member.

Sportingbet and BWin Free Bet Club Accounts

Both Sportingbet and BWin offer Free Bet Club accounts (Learn more about bookmakers who offer Free Bet Club Accounts).

A free bet club is when bookmakers award customers when you place the relevant number of qualifying bets subject to Sportingbet or BWin terms and conditions.

If you do indeed stake the required amount at the required odds you will be rewarded with a free bet the following week.

A free bet club offer will look something like this. If you place 5 bets of £10 or more at odds of at least 2.0. You will be rewarded with a £10 free bet the following week.

For some free bet clubs you must opt in to be eligible, so make sure you are qualified before you place your bets. If you get into contact with the live chat service, they will tell you if opting in is necessary with their bookmaker.

You may be able to basically get up to 100 % back from your initial deposit in free bets.

Sportingbet and BWin Sport Betting Accounts

Both Sportingbet and BWin offer Sport Betting accounts (See bookmakers with Sport Betting accounts here).

A traditional bookmaker will always have a sportsbook. For those of you who are new to this concept a sportsbook is where the bookmaker sets odds for sporting events and the customer decides if they think the odds are attractive to them or not.

Sportingbet and BWin Casino Betting Accounts

Both Sportingbet and BWin offer casino betting accounts (See bookmakers with casino Betting accounts here).

Casino sites can be great fun to play and welcome bonuses are often much higher than they are on sportsbooks for example. There isn't as much strategy related to casino games as most would admit that the games on offer are more for fun than they are to be strategized over. You can however take advantage of welcome bonuses in order to make some profit.

Sportingbet and BWin Bingo Accounts

Both Sportingbet and BWin do not offer bingo accounts (See bookmakers with bingo accounts here).

Bingo is a very fun game to play. No one can honestly pretend that there is any skill behind it but if you have played it before you probably have some theory to why it is so popular. Just waiting for your last number to be called creates a great thrill and when done sensibly bingo can be enjoyed by all.

Sportingbet and BWin Poker Accounts

Both Sportingbet and BWin offer poker accounts to registered users (See bookmakers with poker accounts here). There are age restrictions when playing certain games, usually you have to be at least 18 years old to play but this may differ country to country.

If you are competitive and love playing against other players then poker games can be very social. If this is, you poker is one of the best games you could play, either against friends or globally against other players if you are a bit more experienced. If you are better than all the guys sat on the table and practice tight discipline. You have a great chance to make money in the long run.

It is certainly no joke that you can make money from poker but it is a very tactical game and I repeat discipline is key. If you want to win in the long run both experience and incredible discipline will be required.

Sportingbet and BWin Best Odds

Both Sportingbet and BWin guarantee best odds for clients.

When betting there is nothing more important than the odds you are getting. I cannot repeat enough that you must look for good value when you are betting. Good value can be found on bookmakers who try to give value to their customers. Some bookmakers knowingly offer poor odds. When you recognise a bookmaker as this type, simply avoid.

Sportingbet and BWin Asian Handicap Betting

Both Sportingbet and BWin do not offer Asian handicap betting for clients. (See bookmakers that do offer Asian handicap betting here)

Handicap betting is very popular in Asia, Hence the name. This is a type of betting where you can protect your bet slightly

for example if you bet on a team to win at +1.5 goals this means that the team you are betting on must lose by two goals or more for you to lose the bet. Many people feel that this gets an edge while betting. However, this does warrant a huge amount of study.

Sportingbet and BWin Cash Out

Both Sportingbet and BWin offer cashout for clients.

The advantage of having an option to cash out can be a huge one. This means that you only need to be successful for a short period of time. Betting exchanges are the best option in this regard as you will be able to cash out anytime you want. This includes cashing out pre match for a profit and on occasion cashing out for a small loss if you feel that something has changed to make you feel that your original bet no longer represents true value.

Sportingbet and BWin Live Streaming

Both Sportingbet and BWin offer live streaming for clients.

If you are betting in play, it should go without saying that watching the sporting event you are betting on will help form your opinion on whether the odds available represent good value.

Some people also feel that the experience of betting is better enhanced when they can follow the game that they are betting on.

Sportingbet and BWin Live Chat

Both Sportingbet and BWin offer live chat support for clients.

We advise that signing up with a bookmaker who has a live chat option can prevent you from feeling a lot of frustration. For example if you are having any technical issues to deal with your deposits or withdrawals the last thing you want to do is to wait for a long time for a reply

A chat service is useful as you can hopefully find a solution to your problem in a short amount of time reducing any anxiety that you could possibly be experiencing.

Sportingbet and BWin 24/7 Support

Sportingbet does not provide 24 hour support but BWin does (See bookmakers with 24 hour betting support here).

24/7 hour around the clock support is very convenient for customers. If you have any problem, it is nice to have the knowledge that it can be fixed immediately.

Name Sportingbet BWin bet365 24 / 7 Support No Yes Yes Live Chat Yes Yes Yes

Do Sportingbet and BWin have a IOS App iPhone iPad

Both Sportingbet and BWin offer An Apple store IOS App available for download.

An app is useful because you might be in situations where logging onto a computer is either not possible or convenient for you but you do have access to an Apple iPhone or iPad. You can use your iPhone to bet or cash out.

Do Sportingbet and BWin have an Android App

Sportingbet does not provide a Android mobile app but BWin does (See bookmakers with Android Betting Application here).

An Android device mobile app is useful because you can bet and use gaming services from your Android phone without needing a desktop computer. You can bet or cash out on the go from your Android phone.

Do Sportingbet and BWin have a Microsoft Mobile App

Both Sportingbet and BWin do not offer Microsoft mobile application for clients. (See bookmakers that do offer an Microsoft mobile betting application here)

An app like a Microsoft, Android or Apple mobile app is useful because you might be in situations where logging onto a computer is either not possible or convenient for you. In this case you can use your phone to bet or cash out.

Sportingbet and BWin Licencing and Regulation

You will need to choose a bookmaker with the appropriate licences, you will also need to choose

one that is properly regulated.
