Theme & Graphics 1X2 Network has ensured that players have the best gaming experience and this is demonstrated by 3D European Roulette this game will have your adrenaline rushing as you hit the spin button. Just like the live version of this game, you will be required to set your bet and predict where the ball spinning on the roulette wheel will stop. The video output in this game is amazing which will allow you to have the most amazing gaming experience. You will have two camera angles which will have you following the game without any interruptions. One camera angle will focus on the ball and the roulette wheel while the other will focus on the table layout. The graphics, on the other hand, have been rendered superbly allowing players to load and play the game without any difficulty. You do not need to download any software to enjoy this game as it can be played directly on your web browser. If you are searching for a medium variance game, this is the game to choose. It will give you a break from the normal slot machine routine and will award a payout regularly. 3D European Roulette is recommended for all types of players whether novices or veterans.

Gameplay/Tutorial Before playing 3D European Roulette you are first required to set your preferred stake in the game. You will see chips on the left side of the screen which you can use to select your bet range. You will then proceed to select the place on the table where you wish to place the chip. If you place the chip on a line, then the game layout will highlight the numbers covered by the bet. After you have placed the chip you will then see 3 options appear on the screen. You can see remove a bet, clear bet and double bet. These features allow you to manipulate the gameboard without much hassle. After placing your bet you can proceed to click the spin button so as to confirm your bet and get a result of the gameplay. After the game is completed you will then be provided with another set of options which include re-bet and doubling up on the bet on the same numbers you have just played. It is important to note that this is game of chance and you will be required to predict the winning numbers or colour so as to receive a win. Overall the game is exciting and fun to play.

Paylines 3D European Roulette is an exciting game which will have you playing for hours. It

awards different payouts depending on the type of bet you have set and the number on which the ball has landed on. You will receive payouts depending on the outcome which may vary. These outcomes include: Straight - 35:1 Split - 17:1 3 Numbers - 11:1 Corner - 8:1 6 Numbers - 5:1 For the inside bets while the outside bets will award payouts as follows: Dozen - 2:1 Column - 2:1 Odd/Even - 1:1 High/Low - 1:1
