Call of Duty: Warzone Mobile is an FPS that combines action and the Battle Royale genre to offer a realistic and highly addictive gaming experience. Since 2024, the free-to-play title has let players enjoy intense war conflicts for free on their PC or console. Now, Activision is going for a AAA experience where you will find a completely redesigned gameplay for mobile devices.

In Call of Duty: Warzone Mobile, you will find classic game modes, such as the usual survival against 149 other players. You will also be able to test how well you discover all the chests hidden across the map. Alone or in teams, you will fight against dozens of opponents to earn large sums of money in a fun loot mode. And, as if that weren't enough, new modes will be added, where accurately pull the trigger will be of utmost importance to avoid defeat.

Call of Duty: Warzone Mobile incorporates a range of iconic weapons from the Call of Duty saga that you can combine with other elements to create a balanced weapons arsenal. All this will let you to enter into each season of Warzone to enjoy unbridled action.

Call of Duty: Warzone Mobile's control system will be fully adapted to touch devices. With a directional joystick, you will be able to move through each scenario while touching the action buttons to open fire, change weapons or manage your resources. Similarly, by tapping on the map, you can mark areas to move to while hopping aboard different vehicles that will help you move faster.

Call of Duty: Warzone Mobile brings the action of the successful Warzone to Android devices so you can engage in exciting battles in FPS mechanics. By entering online games, you will be able to team up with players from anywhere in the world to prove your worth and try to escape from the most critical situations.
