Having a quick scan around the leagues for some recommendations this weekend and a good opportunity presents itself tomorrow 0 evening in Brazil. I know a lot of you will want your full day of betting tomorrow before you even 0 consider games tomorrow evening so guessing not many will have looked this far ahead yet.

I'm here to

make money and 0 am not holding out for the "magical" 5 fold winner to come in...I'm here to try and make money so 0 am very selective with my selections and like to have full reasons before I hand my money over to the 0 bookies...

So with that in mind, I'm keen to

hear thoughts of others who have similar ideas or have thoughts on 0 this game...As always, full staking plan on site at bettingriver.co.uk

06th October 2012 – Atletico-GO

vs Vasco da Gama (Serie A 0 – Brazil)

Atletico-GO are having a terrible season and find themselves at the foot of the table after 27 games. As 0 you would expect, they have scored the least goals in the league with 27 whilst also having the worst defensive 0 record, conceding 48. That doesn't make for good reason if your a GO supporter.

As you

might expect from a team 0 at the bottom of the league, their recent run of form is also the worst in the league. They only 0 managing 1 win and 1 draw in their last 6 games, however, their single win did come away from home 0 against league leaders Fluminense, where they managed to take a 2-0 lead before the break and held on to win 0 the game 2-1. This was indeed a shock result so they are capable of pulling something out of the bag 0 from time to time.

Their home form, like their current form, is also the worst in the league managing to only 0 pick up 3 wins and 3 draws from 13 games. Your home ground is supposed to be a safe fortress 0 where other teams struggle to score but not where GO are concerned. They have conceded a very worrying 23 goals 0 in 13 games at home and have only managed to net themselves on 16 occasions.

Vasco da Gama are at the 0 other end of the table in 4th spot and are 6 points behind 2nd placed Atletico MG. Vasco's games are 0 rarely boring as they have managed to score 35 and concede 27 goals in 27 games, so you can normally 0 expect their to be goals when Vasco take to the pitch (they have only had 3 0-0 results so far 0 this season).

Vasco's current form whilst OK, could be better as they have only picked up 3 wins, 3 draws and 0 2 losses in their last 8 games. They are unbeaten in their last 4 games but their last loss was 0 a comprehensive one which saw they conceded 4 goals without reply to Bahia.

Away from home they have only lost 3 0 out of 13 games, which is a big positive for them. However, with only 4 wins and 6 draws, they 0 will need to improve on this if they are to keep pushing the top 3 teams. On their travels they 0 tend to set up very defensively and this is highlighted by their scoring record. They have only managed to net 0 10 times away from home but, on the flip side, they have the best defence away from home, conceding just 0 the 8 goals.

Only once this season has their been more than 2 goals scored when they play away and that 0 came early in the season when they beat Bahia 2-1.

Review

Atletico are really struggling this season and are leaking goals all 0 over the place. Vasco, on the other hand, are push the top 3 and will be looking to improve on 0 their away record. They do setup defensively when they travel so am expecting a low scoring game but one which 0 Vasco will take 3 points from.
