Where Exactly is Bet365 Available in Around the World?

Bet365 in Europe

Europe is Bet365's home field and the place where they are most common. They are available in many countries, such as UK, Austria, Germany, Spain, Ireland, Serbia, Czech Republic, Greece, Bulgaria, Norway, etc. Each country offers different bet365 sign up offers or bonus codes and betting options depending on the location, but most offers are similar in types and amounts. Most countries provide the same bonuses and features, but some places, like Spain, Italy, and Denmark, have unique versions.

Bet365 in the Americas

The Americas are divided into two main parts – North America and South America. South America mostly accepts Bet365 inside its borders, and many countries provide licenses to the bookie, such as Brazil and Mexico. There are two main exceptions in South America, and we will explore more of them in the rest of the article. North America is made up of the USA and Canada. As we mentioned before, in the USA, Bet365 is currently available in New Jersey, Colorado, Ohio, and Virginia. Mobile betting at Bet365 is legal in USA as long as you remain in a state which allows sports betting to take place. It's the same thing, like with any other legal bookmakers in New Jersey, Colorado, Ohio, and Virginia. For example, Fox Bet NJ. There are prospects of the bookie opening its doors to New York, but no official statement has been issued. Canada is allowing Bet365 to operate on its soil, and they even have unique welcome bonuses.

Bet365 in Asia

Bet365 is available in most Asian countries, and there are plenty to mention, so we will say that if sports betting is allowed in the country, you can probably sign-up to Bet365. Only if you are in countries with restricted access, you won't be able to access the bookmaker.

Bet365 in Africa

Bet365 is available in some African countries, and the people have been using their services for some time. But there are those countries who haven't accepted the bookmaker, and you can't use their services from there. Residents of those countries may consider using the 22bet app instead.

Bet365 in Oceania

Oceania is made up of many countries but most notably Australia, where Bet365 has a special license. Bet365 is one of only several bookmakers worldwide that can offer all the Australian sports to the rest of the world. This is unique and gives them even more popularity in the country. They are also available in other countries from this part of the world, including New Zealand, Samoa, Indonesia, Solomon Islands, Papua New Guinea, Vanuatu, French Polynesia, Fiji Islands, and New Caledonia.

Where is Bet365 Legal in USA? Everything You Need to Know

Bet365 is a global brand, but its entrance into the USA market wasn't as smooth. They started with New Jersey and also tried to launch in New York once legal online sports betting got approved, but they couldn't. The newest states that have approved the popular bookmaker in the USA are the Buckeye State, the Centennial State, and the Old Dominion. Bet365 Ohio, Bet365 Colorado, and Bet365 Virginia will be the newest additions to their approved locations around the world. Let's check out what they have to offer for all participants that are of legal gambling age.

Bet365 New Jersey Details

Customers in New Jersey can go to the mobile and online sportsbook that Bet365 offers. Their partner in the state is Hard Rock Casino, AC, and they launched in August 2024. The Garden State was their first official branch in the USA, but they don't plan on stopping there.

Bet365 Ohio Launch and Details

On January 1st, 2024 legal betting became a possibility in Ohio, and Bet365 got a license to operate via a partnership with the Cleveland Guardians. Bet365 Ohio's license doesn't approve retail betting, but you can bet with them online once you register an account.

There are a few key facts about Ohio sports betting, that Bet365 Ohio has to abide by. For example, you won't find any wagers for amateur or high school sports, but college betting and Olympics bets are allowed. E-sports will only be allowed if they are approved by the Ohio Casino Control Commission. Also, you won't find any bets on the actions of coaches, referees, and any other person or group outside of the players in the game is prohibited. Outcomes determined by chance are also not allowed, like betting on a coin flip.

Bet365 Colorado: When Did It Launch?

September 2024 marked the launch of Bet365 Colorado. The brand has a partnership with Century Casinos, and it was speculated that the launch date was targeted, so they can provide betting for the 2024 NFL season. Bet365 Colorado was a confirmed thing even back in May 2024, but they didn't launch in the state until more than two years later.

Bet365 will abide by the specific laws and regulations of the Centennial State. Most of them are similar to Ohio's, including the e-sports and amateur sports laws. The two key differences are that while both states can offer betting on awards or drafts if they are on the approved list, Colorado doesn't allow player prop bets or betting on the Heisman Trophy.

Is Bet365 Legal in New York?

Bet365 is partnered with Empire Resorts, and they offer a retail sportsbook (Resorts World Catskills Casino) in New York. That sportsbook has been operating since 2024 when retail betting was the only form of gambling legal in the Empire State. Online betting launched in early January 2024, but Bet365 couldn't get a license to operate online in the state.

Where to Next?

Legal sports betting in the USA has come a long way and now it's available in 35 states. Ten other states are in the process of legalizing sports betting, while seven other states are unlikely to

legalize it (AK, HI, ID, NE, SC, TX, UT)

Is Bet365 Trustworthy in the United States and Worldwide?

Bet365 is a worldwide popular betting platform that provides customers one of the safest places they could place bets. The company is trusted by millions of people, not only in the US, and it keeps its customers' data safe. They employ only professionals who help keep their systems checked and put up the latest firewalls and data protection protocols to keep everything secure and confidential. You can be sure that your information, including the last four digits of your social security number, are entirely safe in Bet365's hands.

Places Where Bet365 is Banned or Restricted

The list of countries where Bet365 isn't available isn't small, but we will summarize the main aspects.

European countries that are restricted are Turkey, France, Belgium, Netherlands, Portugal, Poland, and Romania. In South America, they aren't available in Colombia, Venezuela and French Guiana. In Oceania, you wouldn't be able to bet from the Philippines. Other smaller countries are also on the restricted list, but the most prominent one is the USA. This is because Bet365 has only acquired a license in New Jersey, Colorado, Ohio, and Virginia, or because, in other states, sports betting isn't available. As Bet365 spreads to more US states in the future, we expect the country to be removed from the ban list.

Betting with Bet365 While You are Travelling Abroad

If you are traveling to another country and you still want to have a little fun and bet on the Bet365 platform, you have the opportunity to do so. Keep in mind that the markets and sports available on the platform would be different depending on your location. The features available would also have slight differences but not too much. For example, there are more features available in the United Kingdom, considering Horse Racing is a big part of the culture there. Still, here in the US, Bet365 doesn't offer Horse Racing or Greyhounds, so such features are obsolete. You will have to get familiar with the site's terms and conditions in the respected country, so you don't break any of them. We recommend the first step to take after deciding to wager on Bet365 abroad to see if it's available in the country you are located in. To do that, you can head to the Bet365 home page from a computer or a mobile device. Then you have to click on the "Join Now" button. If you can see a registration page, then the bookie offers its services in the country. If you see a blank page, then you won't be able to bet with Bet365 in the country you are in.

Another thing you should keep in mind is that while traveling abroad, you can log in to your account and maybe even make deposits and withdrawals. You can see how your on-going bets are going, and see the available markets and odds. That also goes if you are traveling to another US state, but wagering on the NJ, CO, OH, and VA platform is only available in New Jersey, Colorado, Ohio, and Virginia state lines.

Frequently Asked Questions Regarding Bet365's Legal Status

Is there any information on when bet365 will be available in New York?

It isn't sure if Bet365 will launch in New York this year, but we will notify you once that happens.

Can I wager from the Bet365 mobile app in the USA?

Yes, you can. As long as you are within New Jersey, Colorado, Ohio, and Virginia state lines, you won't have any trouble. You can bet from an iOS and Android mobile app.

How do I download the Be365 mobile app to use in the US and abroad?

The app for US customers and customers in other countries is different, so you will have to download the NJ app, CO app, OH app, and VA app, via the App Store or Google Play if you are in New Jersey, Colorado, Ohio, or Virginia. If you are located abroad, you can check the app store if you have an iPhone or iPad, but if you own an Android, you will have to check Bet365's mobile site.

Do I have to pay anything to register an account at Bet365?

No, you don't. Registration is a completely free process. You will only have to deposit funds you plan to place a wager with, except for that all of Bet365's features are free.

Can I access Bet365 via my mobile device without downloading the mobile app in the USA? Yes, you can. You can log in and access the platform via the mobile site, which is user-friendly and easy-to-navigate. The only requirement is that you download a special browser plug-in before logging in to your account.

Disclaimer: Bet365 may change the list of the “legal” and “banned” countries at any moment. Hence it always better to refer to bet365 to make sure you get the latest information.

Venezuelan Opposition Leader Leaves Country as Crisis Deepens

[Estamos en WhatsApp. Empieza a seguirnos ahora]

El candidato de la oposición en las controvertidas elecciones presidenciales de julio en Venezuela abandonó el país el sábado, según las autoridades, mientras se agudiza un enfrentamiento en la residencia diplomática argentina en Caracas donde seis líderes de la oposición venezolana se han refugiado desde marzo.

El presidente de Venezuela, Nicolás Maduro, se ha enfrentado a una condena generalizada a nivel nacional e internacional por proclamar que había ganado los comicios y por una represión violenta de los manifestantes que protestaban contra dicha proclamación. Estados Unidos ha declarado ganador al candidato de la oposición, Edmundo González.

El sábado, la vicepresidenta de Venezuela, Delcy Rodríguez, anunció en las redes sociales que González había viajado a España después de refugiarse voluntariamente en la embajada española en Caracas. El ministro de Asuntos Exteriores de España, José Manuel Albares, confirmó que González viajaba en un avión de la Fuerza Aérea Española a petición propia.

"El Gobierno de España está comprometido con los derechos políticos y la integridad física de todos los venezolanos", declaró el gobierno español.

González era un diplomático jubilado sin ambiciones políticas cuando fue seleccionado en marzo como suplente de la popular líder de la oposición María Corina Machado. Unas semanas antes, el Tribunal Supremo de Justicia de Venezuela había inhabilitado a Machado para participar en las elecciones, una táctica común para mantener a competidores fuertes fuera de las urnas. Quienes conocen a González dijeron que no aspiraba a ese cargo, pero que lo aceptó por sentido del deber.

El lunes pasado, un tribunal venezolano acusó a González de conspiración, usurpación de poder y sabotaje, entre otros cargos, y emitió una orden de detención en su contra.

Por otra parte, las fuerzas de seguridad venezolanas rodean la residencia diplomática de Argentina en Caracas desde el viernes por la noche. Los seis venezolanos se refugiaron allí en marzo, poco después de que el fiscal general del país anunciara órdenes de detención contra ellos.

El Ministerio de Asuntos Exteriores de Argentina advirtió el sábado que evitaría cualquier intento de "secuestro" a los solicitantes de asilo que se encontraban allí.

Brasil ha estado representando los intereses argentinos en Venezuela desde el mes pasado, cuando Maduro ordenó a los diplomáticos de Argentina y otros países que disputaban su afirmación de haber ganado las elecciones que abandonaran el país.

El Ministerio de Relaciones Exteriores de Venezuela dijo el sábado que se había visto obligado a revocar la custodia de Brasil de la misión diplomática argentina debido a pruebas de que sus

instalaciones estaban siendo utilizadas para planificar "actividades terroristas" y para planear asesinatos contra Maduro y su gobierno.

Un representante del Ministerio de Relaciones Exteriores de Brasil dijo que, en virtud de la ley internacional, Venezuela no tenía derecho a hacer tal cosa.

El Ministerio de Relaciones Exteriores de Brasil indicó que seguiría a cargo de la custodia y defensa de los intereses argentinos en Venezuela hasta que el gobierno argentino indicara otro estado aceptable para el gobierno venezolano.

Algunos de los venezolanos refugiados en la residencia diplomática argentina publicaron imágenes el sábado que parecían mostrar a hombres armados uniformados cerca, algunos con pasamontañas. También confirmaron reportes previos de que se había cortado la electricidad en la residencia.

La líder de la oposición María Corina Machado pidió ayuda a la comunidad internacional.

"El asilo diplomático, como principio e institución de profundo espíritu latinoamericano, ha servido para proteger a quienes son perseguidos políticos", escribió Machado, y añadió, refiriéndose a esa convención: "Hoy, pretende ser violada".
