BASIC FLAG FOOTBALL RULES

When learning how to play flag football, it's best to start with the basics.

In NFL FLAG football 8 leagues, teams play 5 on 5 and each game consists of two halves, usually 15 to 25 minutes long.

Tournament games 8 are typically shorter with two, 10 to 12 minute halves.

The clock only stops for halftime, timeouts (each team has 3), 8 or injury, making games quick and competitive.

Each player has a specific role on the field and every play counts.

The most 8 important rule in flag football is that there's no contact allowed, including tackling, diving, blocking, screening or fumbles.

Instead of physically 8 tackling an opponent to the ground, players wear flags that hang along their sides by a belt.

Defenders "tackle" the ball-carrier 8 by removing one or both of their flags.

While this rule is designed to keep players safe, there are several other 8 rules that limit contact among players, including:

The quarterback isn't allowed to run with the ball, unless it was handed off 8 first.

They can run behind the line of scrimmage, but they can't gain yardage.

All passes must go forward and be received 8 beyond the line of scrimmage.

Laterals and pitches aren't allowed-only direct handoffs are permitted.

Center sneak plays aren't allowed.

There are no fumbles.

Instead, 8 the ball stays in possession of the offense and is spotted where the ball-carrier's feet were when the fumble occurred.

The 8 ball is dead when: the ball-carrier's flag is pulled, the ball-carrier steps out of bound, a touchdown or safety is 8 scored, the ball-carrier's knee hits the ground, or the ball-carrier's flag falls off.

Players can't obstruct or guard their flags.

For a 8 complete list of flag football rules, visit our NFL FLAG Football Rules page

SCORING
Every game starts with a coin toss (there 8 are no kickoffs).

The starting team begins on its own 5-yard line and has four downs-essentially four plays-to cross midfield for 8 a first down.

If the offense fails to advance after three attempts, they can "punt," meaning they turn over the ball

8 to the opposing team, which then starts from its own 5-yard line.

Or they can go for a first down, but 8 if they fail, the opposing team takes over possession from the spot of the ball.

Once midfield is crossed, the offense 8 has three downs to score a touchdown.

A touchdown is 6 points and a safety is 2 points (1-point conversion from 8 the 5-yard line; 2-point conversion from the 10-yard line).

A touchdown is 6 points and a safety is 2 points (1-point 8 conversion from the 5-yard line; 2-point conversion from the 10-yard line).

A safety occurs when the ball-carrier is declared down in 8 their own end zone.

This happens when their flag is pulled by a defensive player, their flag falls out, their knee 8 or arm touches the ground, or if a snapped ball lands in the end zone.

As a general rule of thumb, 8 if a team is winning by a 28 or greater point margin, the game is over and the team doesn't 8 attempt an extra point.

RUNNING

When players run with the ball, their feet can't leave the ground to avoid a defensive player.

In 8 other words, players can spin to avoid their opponent, but they can't leap or dive.

Only direct handoffs are permitted-there are 8 no laterals or pitches.

Once the ball has been handed off, all defensive players are eligible to rush.

And the person who 8 takes the handoff is allowed to throw the ball from behind the line of scrimmage.

So while you'll see a designated 8 quarterback on the field, several plays actually rely on other teammates to pass the ball.

This changes up plays, keeps the 8 defense on their toes, and makes the game even more exciting.

Also, under flag football rules, the quarterback can't run with 8 the ball unless it has been handed to him/her in the backfield.

And all players who rush the passer must be 8 a minimum of seven yards from the line of scrimmage when the ball is snapped.

Flag football rules aim to prevent 8 power plays and avoid short-yardage situations, so you'll find no run zones located 5 yards from each end zone and 8 on either side of the midfield.

In this designated area, the offensive team must complete a pass play.

Lastly, if an offensive 8 player's flag is pulled when they're running with the ball, their feet determine where the ball is spotted, not the 8 flag.

RECEIVING

One rule that makes flag football unique (and that much more competitive) is that everyone can receive a pass, including 8 the quarterback, after the ball has been handed off behind the line of scrimmage.

This allows coaches to include a variety 8 of flag football plays into their playbooks and helps players develop fundamental offense skills.

Plus, it makes the game more engaging.

Keep 8 in mind that when making a catch, players must have one foot in bounds, just like tackle.

PASSING

Flag football rules state 8 that all passes must go forward and be received beyond the line of scrimmage.

Shovel passes, which are short passes to 8 forward receivers, are allowed, but also must be received beyond the line of scrimmage.

Quarterbacks have a seven-second pass clock to 8 get rid of the ball.

And if they don't, the play is dead.

Additionally, center sneak play-where the quarterback hands off to 8 the center as the first handoff of the play-is no longer allowed.

Interceptions are allowed, but look a little different in 8 flag football.

They change the possession of the ball at the point of the interception.

So if an interception occurs, the referee 8 blows the whistle and the play is dead.

Interceptions are the only change of possession that don't start on the team's 8 5-yard line.

RUSHING THE PASSER

Players who rush the passer must stand at least seven yards off the line of scrimmage when the ball is snapped, while players who aren't rushing the passer may start on the line of scrimmage. The seven-yard rule no longer applies once the ball is handed off—all defenders are allowed to go behind the line of scrimmage at that point.

A sack occurs when a defensive player pulls off the quarterback's flag(s) behind the line of scrimmage.

The quarterback, or anyone in possession of the ball, is down when their flag(s) are removed.

FLAG FOOTBALL PLAYS

To set up teams for success, coaches teach a variety of formations, routes and 5 on 5 flag football plays throughout the season.

And with every player being eligible to receive a pass, including the quarterback, coaches can get creative and tailor their plays to their team's strengths—or their opponent's weaknesses.

Some plays are complex, while others are more basic.

Some go for long yardage, while others aim for short gains.

In every scenario, these plays determine the flow of the game and teach players the basic fundamentals needed to succeed.

In other words, it teaches them how to play flag football.

That's why we always recommend that coaches start with the basics, helping players establish a strong foundation first, and then mix and match new and more challenging plays as their team gains confidence.

See the complete list of 5 on 5 offensive flag football plays and learn how to create a winning youth flag football playbook.

Pessoas no Ruanda votarão euro win fuar eleições euro win fuar que Paul Kagame é amplamente esperado para estender euro win fuar liderança no país

As pessoas no Ruanda votarão euro win fuar eleições este lunes euro win fuar que Paul Kagame é amplamente esperado para estender euro win fuar liderança na nação centro-africana.

Esta é a quarta votação presidencial desde que mais de 800.000 pessoas, a maioria membros da

minoria étnica Tutsi, foram mortas em um genocídio no país há 30 anos.

Kagame, que liderou o grupo rebelde Rwandan Patriotic Front para derrotar as forças extremistas Hutu e encerrar o genocídio, foi eleito presidente pelo parlamento em 2000 após a renúncia de Pasteur Bizimungu.

Ele obteve mais de 90% dos votos nas três eleições anteriores - em 2003, 2010 e 2024.

Candidato do Rwandan Patriotic Front (RPF), Kagame agora busca um quarto mandato de sete anos, após uma emenda constitucional em 2024 que estendeu os limites de mandato presidencial.

Contexto e história

Data	Evento
1994	Genocídio no Ruanda em que mais de 800.000 pessoas, principalmente membros da minoria étnica Tutsi, foram mortas
2000	Paul Kagame é eleito presidente pelo parlamento após a renúncia de Pasteur Bizimungu
2003, 2010, 2024	Kagame vence as eleições presidenciais com mais de 90% dos votos
2024	Emenda constitucional que estende os limites de mandato presidencial
2024	Kagame busca um quarto mandato de sete anos

Candidatos e oposição

Nesta eleição, Kagame enfrenta os mesmos oponentes que em 2024: Frank Habineza, do Partido Verde Democrático do Ruanda, e Philippe Mpayimana, um candidato independente.

A Comissão Eleitoral Nacional do Ruanda desqualificou seis outros candidatos, incluindo os críticos vocais de Kagame Victoire Ingabire, Diane Rwigara e Bernard Ntaganda, por razões variadas.

Prioridades da campanha e questões

As prioridades da campanha de Kagame incluem segurança, estabilidade, unidade e desenvolvimento econômico.

Habineza, um ex-membro do RPF, está defendendo alterações nas políticas fiscais e de terra e a modernização da agricultura.

Mpayimana, um especialista sênior no Ministério da Unidade Nacional e da Participação Cívica e um ex-jornalista, está defendendo a redução do parlamento, o aumento da produtividade agrícola e a melhoria da educação e do bem-estar estudantil.

Nas últimas eleições, Habineza e Mpayimana cada um obteve menos de 1% dos votos.

Analistas dizem que eles carecem de reconhecimento de nome, recursos financeiros e capacidade organizacional suficientes para desafiar significativamente Kagame nesta eleição.

O RPF é o partido no governo desde 1994 e seus membros ocupam 75% dos assentos no parlamento.

Análise e perspectivas

David Kiwuwa, professor associado de estudos internacionais na Universidade de Nottingham, disse: "No geral, o Ruanda é um sistema de partido dominante, com o RPF ocupando um espaço político superdimensionado e, portanto, sem desafiante previsível no futuro próximo."

Rachel Nicholson, pesquisadora do Ruanda no Amnesty International, disse que a eleição poderia ser uma "oportunidade para liderança política escolher recomendar-se aos direitos humanos" e investigar desaparecimentos forçados, assassinatos e outros casos de direitos humanos para garantir que as vítimas obtenham justiça.

"Regardless of whether leadership changes or not, it's a moment of change," she said. "It's a moment that leaders can choose if they want to."

Rwandans will also vote on Monday for members of the lower house of parliament.

The results of the elections are expected this week.
