Voodoo Slots

Voodoo, what is voodoo? No doubt you will have heard of it, but did you know it is a religion that originates from Africa?

Voodoo as we know it is a mysterious

entity – one where pins are pressed into dolls that replicate certain people –

terrifying stuff we're sure you'll agree! So when we heard that Endorphina had produced an online slot machine based on Voodoo we were both intrigued and worried at the same time.

Kudos to Endorphina because the Voodoo slot game is beautifully designed and adds a touch of eeriness to your game play. When you compare this slot release to others that Endorphina have created, you will see that they have certainly stepped outside of their comfort zone in order to create something totally different to what they are used to doing. It's a bold move and a great one at that.

Statistics of the Game

Voodoo slot

features 5 reels and 10 pay lines. Stakes can be adjusted from 0.10 a spin up to a maximum of 1.00 a spin – which compared to other slot games isn't a great deal when it comes to playing maximum stakes.

The design of the game is absolute stunning. The reels

are bound in green ivy and are sitting in the depths of a mysterious forest. Look beyond the reels and you will see a full moon, candles flickering in the breeze and a low-lying fog. Each of the reels is separated by bound ivy and pieces of wood. The symbols on the reels are terrifying and come alive when they form a win. We love the soundtrack because it emanates creepy tunes and music to add even more of a spooky atmosphere to the game.

All of the betting options are placed to the lower of the

screen to allow you to concentrate on the reels. Your balance is shown to the top left

of the reels with sounds and pay table options to the top right.

Now, the symbols is

where things start to get creepier as they feature; a Voodoo master, Voodoo woman, snake, cheetahs head, Voodoo doll with pins, crow, and card values J, Q, K and A all made from a spiders web.

Payouts

There is a 20,000 coin non-progressive jackpot to be won for spinning in 5 of a kind of the Voodoo master symbols. Next up, the Voodoo woman offers half the jackpot sum of 10,000 coins.

Game Features

Let's starts with the gamble

feature – any win that you trigger on the reels will allow you to gamble for more.

Click the 'Take Risk' button on the lower panel and you will be taken to a new screen.

There will be 5 playing cards on the screen – the leftmost card will be shown and this is the dealer's card. You have to choose one of the other four face down cards to beat the dealer's card. If you pick a higher value card, you double your money. Pick a lower value card and you lose your initial win. You can take your win at any stage.

Wild: The

Voodoo aster is the wild symbol and substitutes for all symbols on the reels. Three or more will award 10 free spins.

Free spins: during the free spins bonus, any symbols

that create a winning combination will expand to cover all three positions on the reels – to add even more chances to win. Free games can be re-triggered during the free spins feature.

Final Thoughts

We take our hats off to Endorphina because this slot machine

blows the competition out of the water. The game is rich in design and graphics and when the symbols form a win they come alive. We especially love the Voodoo woman who transforms from a quite sitting woman to an evil snake lady with green mist surrounding her.

This medium variance slot machine offers so many different ways to win and the majority of wins will fall in the free spins bonus – thanks to the expanding symbols.

Click the turbo option to the lower of the reels to play the game faster than usual. If the soundtrack gives you shivers down your spine, you can switch this off – but we love it as it adds a great deal to the game. Voodoo slot machine has a return to player (RTP) percentage of 96.00%.

Maximum stakes of just 1.00 a spin are nothing in

comparison to the 20,000 coin jackpot that's on offer. Other slot machines that offer a jackpot that big require you to bet so much more than 1.00 a spin.
