What are Counter Strike Games?

Counter-Strike it's a series of games that are very popular these days even if the first series appeared in 1999. There are two teams: The Terrorist team and the Counter-Terrorist team, each team has a purpose. At the beginning of the match, you don't choose which team you want to be, but you're going to play whit both teams. Each team has a special weapon, for Terrorists, we have "ak-47" and for Counter-terrorist we have "M4A1-S" or "M4A4". The most popular game in the Counter-Strike series is Counter-Strike: Global Offensive, so we'll talk about him today. From time to time some operations are also found, and these operations can be bought. They have to the role of giving missions and if you complete those missions you can receive the reward as example skins, cases, and more. Our games on this site are very similar to the CS GO game.

How to play Counter Strike Games ?

If you are in the

Counter-Terrorist Team, you have a small advantage over Terrorists. The mission is to kill all the terrorists before they plant the bomb if they have started to plant the bomb, you have to kill all of them and defuse the bomb, you have 40 seconds. If you're in the Terrorist team you have two options, kill the rival team or plant the bomb and protect it for them. In the beginning, you'll have R\$800 and you get more money if you win a round or make a kill. Whit that money you have 20 seconds from the start of each round to buy weapons: pistols, SMGs, Rifles, Heavy. But with that money, you can buy some grenades like: Flashbang, Smoke Grenade, Decoy, Molotov, Incendiary Grenade and armor. There is also a table that shows how many kills you have and every time you've died. The coolest thing is that you can play with people from all over the world and they can talk to each other. The most popular maps are Mirage and Dust II.

Can you put

real money into the game?

Yes, but only if you want. With money can buy different skins

for weapons. Some are very expensive but also very beautiful. You also have music in the market, that plays when you're in the lobby or when making an MVP. The most expensive but also appreciated skins are knives, like Urus, Bayonet, Karambit, Butterfly Knife, and more. Price is constantly changing because sales are made with other people.

How can you make a rank?

To grow in the rank you must have as many wins as possible one after the other. There are many ranks like: Silver 1,2,3, elite and elite master; Gold nova 1,2,3, Master, Master Guardian 1,2, Elite; DMG (Distinguished Master Guardian); Legendary Eagle Master; Supreme Master and The Global Elite. Each match will have players with the same rank approximately. There are other ways of playing and without the ranks, for example, Deathmatch, Casual, War games. Wingman is a game mode that has ranks as well, there are a total of 4 players that mean each team has 2 players, only play on a Site.

Practice with bots

Here you can train, or test new things like throwing a cloud of smoke on site.

Workshop maps

Here you find many maps created by other players. Maps for 1v1, hide and seek, for crosshair and many other games. Here is a very good place to play with your friends.

Community server

Here is

the second part of the game, where you can meet people in your country or speak the same language. There are some games like retake or 1v1 championship and more, and these servers also made by people. If you play on Community Server, you won't change the rank.

Danger Zone

In the Danger Zone, you have not just 2 variants of where to go, you have a whole map. There is a rank too, but are different: Lab Rat 1,2; Sprinting Here 1,2; Wild Scout 1,2, elite; Hunter Fox 1,2,3, elite; Timber Wolf, Ember Wolf, Wildfire Wolf, and The Howling Alpha. At the start of each game if you play alone or with a partner, you need to choose where you want to start the game. At first, you don't have a weapon, have to go and look for a weapon in the houses. In the houses there is money and if you have too much money, it is a menu where you can buy weapons. The weapons or what is on the menu are brought by drones, it is very funny. You have to finish 1st place to win.

O hotel foi o principal e maior centro político de Rio Pardo, o centro da história do município.

Seu prefeito era Vicente Torres.

Este nome foi oficializado na Lei Estadual nº 2729, de 20/06/1960.

Segundo o prefeito, Vicente Torres era "um homem mais respeitável do que o prefeito".

O prédio tem dois andares (com quatro mil e seis mil metros quadrados, projetado por Oscar

Niemeyer).
