How we find the best betting sites

Sports betting is one of the world's most popular

hobbies, as there are millions of fans worldwide that wager sports bets daily. It's

important to note that, besides land-based bookies, there are also online sports bookies and betting sites.

And of course, as is usually the case with everything else,

there are good betting sites and not-as-good betting sites. As a player, it's in your best interest to pick the best of the best betting sites as they specialize in offering the players a top-tier online sports betting experience.

But the problem is that that

there are so many betting sites and online sports bookies that it poses somewhat of a challenge to single out the best. And this is where we come into play. Once you read

our reviews, you will get to know the exact things that can make or break any online sports bookie and betting site. Our dedicated experts have performed an in-depth

analysis of the subject at hand and all of their results are compiled in the list that

you can see above. But let's get down to the basics, first... what does it mean when we say that one betting site is the best?

Licensing and Regulation

The sad fact of life is

that there are scammers everywhere. And this is the case with online sports betting,

too. Some sports bookies and websites simply aren't in it to be fair and they try their

best to scam their unwitting customers. In many instances, the customers aren't even

aware that they are being scammed, what they believe instead is that they're having a genuine and fair online sports betting experience when it's anything but.

So, how to

determine which betting sites are legit and which aren't? The first thing to look out

for is licensing information. If the betting site of your choice does not have a valid

license issued by a renowned regulatory authority, then it's a definite red flag that

you should be aware of.

The legit betting sites are licensed by the top regulatory authorities in the field. One such authority that springs to mind and that's at the top of the iGaming and online sports betting industry is the United Kingdom Gambling Commission or UKGC in short. Of course, there are several other such authorities that regulate the market, such as the Malta Gaming Authority, the Curacao Gaming Authority, the Alderney Gambling Control Commission, etc. But the experts in the field agree that the United Kingdom Gambling Commission towers above all the competition and that it's the highest authority in the field.

The reason why the UKGC has such high esteem and renown is that it imposes vigorous, strict standards on all the betting sites and online casinos that they must meet before they get in the ballpark of getting a UKGC license. This is in stark contrast to the way the Curacao Gaming Authority does business since this authority doesn't issue nearly as strict impositions to the betting sites and casinos striving to get a license. Long story short: if you see the logo of the UKGC with valid licensing information, then it's a sure sign that the betting site is legit and safe to use. We're not saying that MGA or CGA licensed betting sites aren't legit, far from it being the case. But the standards that the UKGC imposes are the strictest, hence the players will be well protected in the UKGC sports betting sites. All of the betting sites on our list are fully licensed by renowned regulatory authorities.

Regardless of the licensing information, always make sure to implement common-sense knowledge and practice as you place sports bets online. Never share sensitive account information with anyone as there's never a good reason to do this.

And if anything seems off, regardless if it's UKGC licensed site or not, you should maintain caution and discontinue using the betting services of the site as soon as possible.

Big Bonuses

Next off, we have one of the favorite subjects of most online sports bettors: the bonuses. If you have never used the services of an online sports betting platform, or of an online casino, then you may not be aware that players are being pampered left and right with generous bonuses. The sports bookies do this to attract more players and the reasoning behind it is obvious. It's much more likely for anyone to do their first deposit on a betting site if there are bonuses involved.

Now,

it's important to note that different sites offer different bonuses. If you get one type of bonus on one site, it doesn't necessarily follow that you'll get the same bonus or a bonus of the same size on another. There are variations and discrepancies and the savvy players need to know all this info to make the best decision as to where to play.

And again, this is where we come to play. Our experts have compiled a list of the best betting sites that feature the biggest, most generous, lavish bonuses that the players can get. Getting a big bonus can have a big influence on your gaming experience, as it can stave off losses from your personal savings, or it can increase your wins altogether.

But the size of the bonus is not the only thing that matters.

Savvy players also know that behind all the bombastic announcements of "\$1,000 of FREE betting money!!!", there comes the sometimes harsh reality of the terms and conditions.

So, in a sense, if the player jumps at the sight of the promotional banners, without doing additional research on the bonuses, then they may very well be shooting themselves in the foot.

The terms and conditions hide all the important info that

you'll need to determine the quality of the bonus and how you can use it. We use the term "hide" as most players, unfortunately, don't have the time or effort to spare to read the all-important T&Cs. So, they make their account and do their deposits only to find out down the line that the allotted time for releasing the bonuses has passed and that the bonuses are void.

But worry not, as our experts have done all the research so that you won't have to. We have scoured through the terms and conditions of all the best betting sites and we've determined the number and size of the bonuses, as well as the terms and conditions. You'll get the best offers in terms of the smallest wagering requirements and allotted time for the biggest potential bonuses by visiting the best betting sites that we have prepared for you on our list.

Betting Markets and Margins

The availability of as many and as varied betting markets as possible is a definite hallmark of the best betting sites. Typically, the best betting sites will feature a big list of available sports that the players can wager bets on, such as:

- American football,
- Baseball,
- Basketball
- European football,
- Boxing/MMA,
- Golf,
- Horse
- Racing
- Ice Hockey,
- Handball,
- Tennis,
- Volleyball,

And many other sports. What's more, there will be many events within each sport that the players can place bets on, and the events will be held all over the world. Finally, there may very well be esports as well, such as:

- CS:GO,
- Dota 2,
- League of Legends,
- Fortnite,

and others. It's also

important to note that the betting margins can significantly influence the players' betting experience on the particular betting site. The lower the betting margins, the bigger the potential profits that the player can make for winning bets. The industry average in terms of the betting margins is set somewhere around 6-8%. So, anything higher than 8% is bad in terms of potential profitability and the player may feel ripped off; 6-8% is the standard, and anything below 6% will increase your potential profits significantly.

All of the best betting sites that we've prepared for you in our list not only have a big and varied list of available sports and events to bet on, from all over the world, but they also have highly competitive margins that the players will benefit from. So, there's another way in which you will benefit by playing on the best betting sites on our list.

Responsive Customer Service

This is a subject that's not usually talked about as much. This is a shame since customer service has the power to

make or break the entire experience for the players. The best betting sites typically offer the following methods in which you can contact customer service:

Live

chat,

Phone,

E-mail,

Discord,

Social media support,

and others. What you will note

though is the majority of sports bookies offer live chat, phone, and e-mail support as the most popular and most widely used customer service contact options.

But the fact

that these contact methods may be available to use on a certain betting site doesn't automatically mean that the bookie provides quality customer service to the players, far from it. It's just as important for the customer service team to consist of dedicated professionals with years of experience in the field of helping players with whatever issues or questions they may have.

Unfortunately, there are many instances

where players have hit a wall with the customer support teams of certain betting sites.

Customer service may be slow to respond or not respond in a professional, helpful way.

So, if the player has problems, they are encouraged to solve them on their own, effectively.

But this does not happen on the best betting sites. Apart from the fact

that you can use several different customer service contact options at the best betting sites, you will also get prompt, high-quality support from the customer service agents.

And quality customer service that seeks to answer all the players' needs is another hallmark of the best betting sites.

Special Features

The core sports betting experience

is important, but it's also important for there to be special features that the players can use as they wager bets. There are several examples of these special features in play, such as:

Live streaming. The live streaming feature is one of the most popular ones, so much so

that it has become a staple in the best betting sites worldwide. Being able to watch the

events live as the player places live bets is a critical piece of the entire online sports

betting experience. Of course, it's unreasonable to expect that there will be streaming

options for all the sports and events all around the world, even on the best betting

sites. But the best betting sites should do their best to incorporate a big variety of the

most popular sports and events in their live streaming platforms.

NO SÃO SIMPLES INDIVÍDUOS EM UM CAIXA-ELETRÔNICO

Entre o escândalo de preços de ingressos dinâmicos e esses dois não conseguindo chegar à lista do Ballon d'Or (o que sobre Cristiano Ronaldo onabet jogo de aposta Saudi, rapazes?!), é justo dizer que o Football Daily e o resto de vocês estavam onabet jogo de aposta baixa antes do intervalo internacional. Mas então, um raio de esperança entre as vergonhas das mídias sociais. Uma postagem do The Cultras Pod emergiu das sombras, com nada além de um sonho e um hashtag.

Nasceu o Barclaysmen, onabet jogo de aposta missão clara: purificar a linha do tempo com compilações nostálgicas de futebolistas do início dos anos 2000 da Premier League ao som da música da época. Nem o futebolista ou a música precisavam ser bons. De fato, se os futebolistas fossem muito bons, eles não são Barclaysmen onabet jogo de aposta absoluto. Paul Scholes não é um Barclaysman. Tampouco Thierry Henry. Mas James Beattie? Barclaysman. Yakubu? Barclaysman. Matty Taylor? Barclaysman. Hey, nós não fazemos as regras. Taylor é talvez o Barclaysman perfeito, com uma licença para atirar da distância toda sempre que quisesse. Oh, por dias de um tiro especulativo! Pep, o que você nos fez?!

Sim, os termos "Prime Barclays" e "Pure Barclays" vêm há anos e, admitindo, o Barclaysmen é basicamente apenas um rebranding inspirado onabet jogo de aposta Grant Holt de "The Streets Won't Forget". E sim, alguns levaram isso muito longe - a compilação de Fabio Borini, definida por Just Jack's Starz in their Eyes, foi uma visualização desconfortável, enquanto o admin de Brentford tentou se juntar à festa, apesar do fato de os abelhas apenas alcançarem a Premier League onabet jogo de aposta 2024. Mas não arruine isso para nós. Isso ainda é uma boa e saudável coisa. Nós apenas queremos algo para assistir, algo para sentir, enquanto estamos presos onabet jogo de aposta uma fila da Ticketmaster.

Uma pessoa sábia chamada EM Hudson uma vez disse que as pessoas "literalmente podem apenas sentar e nomear velhos jogadores de esportes e passar o melhor tempo". Amém a isso. E especialmente se Hard to Beat do Hard-Fi estiver tocando no fundo.

CITAÇÃO DO DIA

"Quando estou ouvindo toda a negatividade enquanto estamos jogando bem, bom gol do Altrincham, por sinal, *bom gol no contra-ataque*, bem merecido, [Justin Amaluzor] é um bom jogador, velocidade, e tenho que ouvir essa reclamação no meu ouvido. Basta se relaxar. Eu sei o que estou fazendo. Eu assumi este time, abaixo da tabela, veja onde você está. Sim? ... Eu estou muito muito zangado e frustrado. E qualquer torcedor que quiser vir me ver, minha porta está aberta, entre e veja-me, tenha um chá comigo e veja-me, e eu lhe direi onde estamos e quem

está ferido e o que está acontecendo" – após uma vitória agônica de 2-1 na National League, o técnico do Barnet, Dean Brennan, quase sugere que os torcedores do clube o visitem com onabet jogo de aposta refeição do almoço, enquanto mostra o que a realidade significa. Venha descobrir quem está ferido!

Dean Brennan tem uma conversa franca.

O que eu realmente queria dizer era: desde quando o país natal de Harry Kane se tornou uma ilha (ontem no Football Daily)? Eu sei que nacionalistas galeses e escoceses têm longa advocacia por separação, mas eu sinceramente achei que isso era apenas onabet jogo de aposta uma base política onabet jogo de aposta vez de uma base completa de terraformação de afastamento até que tivéssemos águas territoriais da nossa própria. Ainda assim, talvez você gostaria de ter Shrewsbury-on-Sea ou Carlisle-sur-la-Plage?" – Ken Muir (e outros).

Eu tinha começado a acreditar de que minha vida havia atingido um ponto mais baixo uma vez que comecei a ler regularmente este email do tea-time. Mas eu ainda não contei o número de palavras onabet jogo de aposta onabet jogo de aposta correspondência, então obrigado, Chris Wheal (ontem no Football Daily), por mostrar-me que ainda tenho algum caminho ainda para afundar" – Simon Mazier.
