“With the exception of free poker, gambling is probably the oldest, most primitive, and most vicious industry that has ever been invented.” — Mark Twain

What is a poker freeroll?

Poker freerolls are completely free poker tournaments which are held online and sometimes offline. This makes them an attractive option for those looking to play in a tournament without having to risk any of their own money. The prizes in these tournaments are usually not so big, but they can still be worth winning. Freerolls are generally offered by online poker rooms as a way to attract new players.

Types of Freerolls

There are two main types of freerolls:

The first is the “open for all freeroll” that is run by a poker site and is designed to attract new players. The second is the “private freeroll” that is run by an independent person, usually a poker site affiliate. In this case you need a freeroll password.

Freeroll restrictions

There are usually no restrictions when participating in freerolls. But sometimes players may be required to make a deposit to prevent them from simply entering any freeroll and then walking away with the prize pool.

Despite the rare restrictions, freerolls offer players a great opportunity to win real money without having to risk any of their own. This is especially true for those who are new to the game and are still learning the ropes. Freerolls can be a great way to test out new strategies and get a feel for the competition without having to risk any money.

While freerolls are a great way to play poker for free, they can also be a lot of fun. In addition to the chance to win real money, freerolls often offer a variety of different prizes, ranging from entry into bigger tournaments to cash prizes and even gadgets and other prizes.

Where can I find poker freerolls?

Many players are not aware of the existence of freerolls or are not sure how to find them.

Fortunately, there are a number of resources available that can help players find freerolls. One of the best places to start is the poker rooms themselves. Many poker rooms offer freerolls as a way of attracting new players.

In addition, the poker rooms often have a section on their website where players can find a list of upcoming freerolls.

Conclusion

Freerolls are a great way to get started in poker. They are tournaments that don't have an entry fee and award cash prizes to the winners.

Este primavera, el romance atlético y artístico se apodera del cine

Esta primavera, las historias de romance atlético y artístico se están apoderando del cine. Rose Glass con "Love Lies Bleeding" y Luca Guadagnino con "Challengers" ofrecen cada uno su propia versión torcida de romances LGBTQ + dentro del mundo del deporte. Tanto los directores comparten una obsesión con sus atletas, deteniéndose en sus cuerpos en primer plano.

Músculos rizados y abultados se retuercen y se hinchan como el poderoso latido de la marea. Perfectas esferas de sudor reluciente se forman y luego se desvanecen lentamente del cuerpo en cámara lenta. En estas películas, los cuerpos tonificados y esculturales se vuelven tentadores, terrosos paisajes, y es en este terreno físico donde podemos ver exactamente cómo y por qué se desempeñan los deseos internos de los personajes.

Love Lies Bleeding

"Love Lies Bleeding" comienza con un montaje palpitante en un gimnasio sombrío donde Glass nos confronta con cuerpos que corren, andan en bicicleta, levantan y presionan, en toda su sudoración y esfuerzo grotesco. Mientras tanto, Lou (Kristen Stewart), el desinteresado gerente del gimnasio, mete la mano en el inodoro constantemente atascado.

Sin embargo, cuando Jackie (Katy O'Brian), una aspirante a bodybuilder, rueda por la ciudad, toda esta grotesquería se convierte en algo hermoso. Comienzan un romance. Lou inyecta a su

amante con esteroides y constantemente contempla sus músculos densos.

Desafiantes

"Desafiantes" también se detiene deliberadamente en los cuerpos en movimiento. La exprodigio del tenis Tashi (Zendaya) tiene un control sobre los campeones de tenis y ex amigos Patrick y Art; se sienten atraídos por ella, pero también el uno por el otro. Después de que la carrera de Tashi se corta debido a una lesión, se convierte en la entrenadora de Art, formándolo en forma, esperando recuperar la euforia cruda que sintió cuando competía.

Los juegos de poder entre este trío pueden suceder fuera de la cancha, pero cuando los dos hombres levantan sus palas de tenis, hay química real: la cámara se acerca a sus líneas de sudor goteantes, sus pantorrillas flexionadas y sus bíceps abultados.
