Looking for a new PayPal casino in the UK? Then you've found the right place. PayPal allows fast deposits and quick withdrawals at online casinos.

Basically, it's a new and

totally secure way for money transfers, instant deposits and fast withdrawals in United Kingdom. Here at GoWin, we have a full list of online casinos that accept deposit by PayPal as a payment method and you can find them below.

Our complete list of PayPal

casinos is updated weekly and features the best PayPal slot casinos currently available in the UK. In our top list, we also list the specific bonus available at the casino site – in most cases a £5 PayPal Deposit Bonus or a 100% top up welcome bonus. All sites listed are fully UK licensed, verified as secure and trusted by GoWin.

How Does PayPal Work on Casinos?

PayPal is an online payment method used

by a wide range of online casinos. Its popular due to its simplicity in depositing and the fast withdrawal possibilities. Not only is it the world biggest online payment method and has been around since 1998, but it is also the most secure way to deposit.

PayPal has not always been allowed as a payment option at online casinos, yet in the last few years PayPal have opened for gambling companies to accept PayPal as a way to make fast deposits.

New PayPal Casinos Launched in 2024

Casinos that either

newly implement the possibility to deposit and withdraw via PayPal or that launch as new PayPal slot sites altogether are what counts as 'new casino sites accepting PayPal'. In other words, the site doesn't have to be brand new to get onto this page.

The pros of playing at one are many. Not only can you claim new player bonuses and special sign up perks, but you can also take advantage of the new mobile application that's available for both iPhone and Android users. It makes the process of

depositing super quick and easy, even if you're in the midst of playing slots on your mobile at that very moment.

Simply pull up the cashier screen from the game itself, select to deposit with PayPal and choose an amount. A quick verification step is all that you have to do – one tap before your funds are added to your account and you're good to go!

Before you commit to any new gambling site, simply make sure to check out the full list of fully licensed and regulated casinos on the website of the UK Gambling Commission. Your top priority should be staying safe online.

Disadvantages and

Limitations for PayPal Players

Casinos with PayPal deposit is the new thing in United

Kingdom and only a few selection accept Paypal Casino. This makes it difficult to find casinos you can use PayPal on and this is why we show you a complete overview here on GoWin.

Another disadvantage of PayPal is the administration fee when depositing on casinos. A few months ago, PayPal had no fee for depositing but recently added a fee for the casinos accepting PayPal. Most casinos will pay this for their players, but a few require you to pay it yourself. This should not be stopping you from depositing online as the fee is only 2.9-3.40% ([//paypal/uk/webapps/mpp/paypal-fees](http://paypal/uk/webapps/mpp/paypal-fees))

PayPal

has a deposit limit of R\$10,000 per transaction, so this will not be an issue for the everyday (casual) casino player. However, your specific chosen online casino may have their own limitations. Remember to read the terms and conditions for deposit limits when you sign up at an online casino.

PayPal is Now Available on Mobile Casinos

With the

launch of PayPal One Touch™, it is now even easier to make fast deposits on casinos. It allows you to make deposits faster while keeping your payment information secure. It saves you the hassle of entering passwords every time you claim a withdrawal at the casino and none of your financial information is shared with the merchant or online casino.

If you wish to activate One Touch for deposits, you select "Stay logged in for faster purchases" when checking out and this will activate One Touch for that specific device and browser. If you play casino on your desktop PC and mobile you will have to do it on both devices for PayPal to authorise both.

You can deactivate PayPal One Touch

by logging in to your account on paypal and selecting the Security tab and deactivating "Stay logged in for faster purchases".

Please let both the casino and PayPal know if your mobile device is stolen so they can deactivate your PayPal One Touch.

Why Deposit

With PayPal on Casinos?

We have already covered some of the important features with

PayPal deposits earlier in this article but let's list the five most important reasons for using a PayPal:

Instant deposit with PayPal One Touch Most Secure Payment platform

in the industry 24/7 Support on phone, chat and by email Fast withdrawal No fee for transfer to bank account

If these five reasons does not convince you let us try with the top alternatives to the PayPal deposit method.

PayPal Deposit Alternatives

There

are plenty of alternatives to PayPal on the casino market. The most popular online casino payment method is, of course, the Credit Card, quickly followed by Pay by Phone and Skrill. All three have their own advantages and disadvantages that we have cover on these dedicated pages:

There are plenty of other payment options at the casinos in United Kingdom and you can find the full list of banking methods here, including our recommendations and list of casinos accepting the specific payment method.

Keep an eye

on the payment deposit bonus on your chosen casino as they change depending on what payment option you choose. Most PayPal Slots bonus are 100% top up bonuses that also include free spins. Meanwhile, most Pay by Phone bonuses often are £5 free. Casino bonuses change monthly and we will keep you updated on GoWin so you always see the newest casino deposit bonuses.

Are PayPal Casinos Safe?

PayPal is considered on of the most secure payment platforms along with Stripe and Amazon Payments. If you want to secure your account even more you need to take the following steps:

Do not link your

PayPal account to a bank account or debit card – link it to your credit card.

Never

trust fake phishing emails from PayPal: How to tell if a PayPal email is genuine?

Keep

an eye on your account balance daily or at least weekly

Buy and/or only link your

account to verified shops and casinos

That being said PayPal did have a data breach in

June 2014 that Washington Post called a “rare security breach”.

At GoWin we still

believe PayPal is the safest way to deposit at online casinos. The reason being you now give you credit card details to PayPal and not to an online casino in UK.
