Dicas de Especialistas: Como Jogar e Ganhar em Jogos Online

Poker has a gambling element to it, which leads some players to question if poker is just down to luck. Although there is a serious amount of luck involved in poker, the fact the same big names regularly win in cash games and tournaments shows that there is skill involved.

But most people who play poker seriously know different though. Poker is 100% a game of skill in the long run. However there is a large element of luck in the short term. Professional poker players mitigate the luck aspect by consistently making mathematically superior decisions and therefore winning in the long run.
