American Roulette is a classic casino game (the word roulette means 'little wheel' in French). The principle of this game is easy: the Dealer spins a ball around the rim of a revolving wheel which is divided into 37 equal compartments clearly numbered 0 to 36. Each number is either red or black except zero which is usually green. The ball eventually comes to rest in one of the compartments and that compartment is the winning number. The Dealer will show this on the layout by placing a 'dolly' on the winning number.
