Online roulette games you can play for

free are a great way 9 to get to know the game of roulette and its rules. However, it doesn't hurt to learn more about the 9 game, which you can do by reading our article about roulette rules. It will teach you everything you need to 9 know to play roulette.

Fortunately, that's not necessarily needed. Roulette is a very simple game.

You basically just need to place 9 a bet on any number or other sections on the roulette table layout and wait for the result of the 9 spin. You can't influence the result of the game and almost all bets have the same return to player, so 9 the only thing you can influence is the volatility (by changing the types of bets you place).

Note: We

mentioned that 9 almost all bets have the same RTP. There is a bet on American roulette on five numbers (0, 00, 1, 9 2 and 3), which has the worst payout ratio you can get on a roulette table. If you ever play 9 roulette for real money, you should definitely stay away from this bet, and ideally from American roulette in general, as 9 well. Check out our full list of roulette odds to learn more about the differences between various types of roulette 9 bets.

Free European, American and French roulette games

That brings

us to the types of roulette you can play. There are two 9 main types of roulette:

European roulette – This type of roulette has 37 sections on the roulette wheel (0 and numbers 9 from 1 to 36).

– This type of roulette has 37 sections on the

roulette wheel (0 and numbers from 1 9 to 36). American roulette – This type of roulette has 38 sections on the roulette wheel (0, 00 and number 9 s from 1 to 36).

The number of

possible outcomes is different, but the multiples of your bet you get when 9 you win are the same. That means American roulette has a worse RTP (94.74%) than European roulette (97.3%). You should 9 therefore play European roulette whenever it's available, because your chances of winning are quite a lot higher. Of course, this 9 doesn't really matter when playing just for fun, but it doesn't hurt to pick the better version nevertheless.

Besides European and 9 American roulette, there is also French roulette. It

is very similar to European roulette but has some additional rules in 9 favor of the player, which make this type of Roulette player even better for players in terms of minimizing the 9 casino's advantage. Feel free to read our article about differences between various types of roulette if you want to learn 9 more.

Note: It's easy to find an

American or European roulette to play for free, while free French roulette games are 9 scarcer. French roulette is mostly available in live dealer versions, which are generally not available in a demo mode. You 9 should be able to find a French roulette game in many of casinos with live games we have in our 9 database though.

Can you play

free roulette on mobile devices?

Not all versions of free roulette in our database are

playable from 9 mobile devices, but many of them are. If you want to see only games which can be played using mobile 9 phones and tablets, you can use the filter "Mobile Devices Supported".

Note: Unfortunately, some of the games still need a Flash 9 player to run,

which is the reason why they can be played only on computers. However, popular older games often 9 get reworked using newer technologies, so some games you can't play from mobile devices at the moment might be accessible 9 to you in the future.

Try out our

We also

9 wrote an article about so-called scam roulette strategies like Martingale that are often presented as a surefire way to make 9 money and "beat" the casino. Of course, that's not true, as you'll sooner or later lose your entire bankroll if 9 you follow these strategies.
