Papa's Pizzeria Instructions

Papa Louie has left the pizzeria for a few days and needs your help. You are playing as Roy, Papa Louie's nephew. It is up to you, Roy, to take control of the pizzeria and keep things running smoothly. This means that you must take customers' orders, assemble the pizzas, and bake them to perfection. To begin the game, players simply have to click on one of the 'save slot' cards. After this, your pizza adventure will officially begin. Take the customer's order... Toppings, how long it's to be cooked, how to cut it... Make the pizza... Give it to the customer. If it's done correctly, you get a big tip! Each customer will have slight variations on their orders. They might want their pizza cooked for a specific amount of time. Other small details include different amounts of toppings, a different amount of slices, a different amount of . . . well, you get it. The key is to get these details exactly right in order to satisfy the customers. The real challenge begins when there is more than one customer to deal with at once! You will have to figure out how to prioritize customers and optimize your orders to keep everyone happy. It sounds easier than it is, as orders can get quite overwhelming. Make sure to pay attention to the little things as well. Often it can get hard to remember every single thing that the customer wants. Make sure to not only pay attention to what toppings the customers want, but where the toppings go on the pizza, how long the pizza should be cooked, and how they want the pizza cut. If you miss these details, you can seriously miss out on some big tips. If you do all of this quickly, then you should be able to do well in this game.
