Online gambling laws in Canada are quite relaxed. In 1985, the Canadian government allowed each province to choose their own gaming laws. Ontario's new gambling laws officially launched their legal, regulated gambling market on April 4, 2024.

For most of Canada, online gambling is illegal. However, Canadians can still visit and play with internationally regulated casinos. Conversely, Ontario supports online gambling and provides licenses that allow casino and sports betting operators to offer these services within the province.

Those radios often caused friction between couples, as men out for a walk were more taken by the broadcast than by their female companion. At least the radios never physically kept anyone from their families; otherwise Sunday would be spent at the stadium or at home in front of the television. Rita Pavone sang about it, scolding her companion for preferring football and leaving her alone; Dino Risi painfully portrayed it in his episodic movie, The Monsters, where in the episode What a Bad Life!, Vittorio Gassman plays a poor family man who spends what little he has to go to the stadium; Alberto Sordi reiterated this in the memorable scenes of The Husband and I know That You Know That I Know.

Church, lunch, and the game are the three pillars upon which the Italian Sunday was built. Three

clustered events spaced a few hours within each other: first duty, then necessity, and finally pleasure. Even if it does seem excessive calling it a pleasure, for all the times an afternoon defeat made our baked pasta go down the wrong way and along with it, the entire weekend.

At my parents' house I discovered a drawer full of old pocket radios. I then found an identical one when we emptied my grandmother's house. I was reminded of them present in family photos, with that unintentionally vintage design, often surrounded by an engrossed group of people of all ages, hands cupped around their ears. I remembered afternoons in the mid-nineties when they were still used. As a child I used to take them with me on Sunday outings for the same reason everyone else took them: to follow the ball game.

The cult of the game does not have specific areas of competence, no typical geographical indication, like wine does, but it has always brought people together within its single large leather sphere. From North to South, from the countryside to the big cities, from the mountains to the sea. Those who could went to the stadium, up to the time it was more comfortable to watch matches on TV. Lunch was at home, then down to the bar, until the call of the family became too insistent to be ignored. At that point the pocket radio came in handy.

But like all cultural symbols, fans have had to deal with the progression of the sport's economic sector growing disproportionately in just a few years. The first change was the match schedule: after more than half a century of Sunday afternoon starts, the delay was born. It was the 1993 of great changes, with Italy in political turmoil and television rights becoming a greater feature of the sport. It was the first upheaval of many. In February 2024 the first round of the Serie A schedule was split between Friday afternoon and Monday evening, with no match played at the same time. For the older folks this was an outrage. Who knows what my grandparents would have said, used to arriving at Sunday dinner knowing the rankings were already updated. Obviously it was no longer possible to follow games on the radio minute by minute, as I did as a child. My parents were never big fans, but when we would go on our Sunday outings in the car, we listened to the live broadcast on the radio, which started immediately after the iconic theme song, A Taste of Honey, by Herb Albert & the Tijuana Brass. And when we went for a walk, I had the trusty pocket radio with me. The excitement was palpable as the reports came from field to field, the format used then by the Rai network for live football events. The reporter was often interrupted by the jingle announcing a goal in another stadium. I clearly remember the sensation I felt seconds before the correspondent would give updates on the match; moments when I hoped news would be about my favorite team but – careful! – also in that moment the opposing team could have scored. I swayed on that swing between relief and disappointment each time, every Sunday.

Nikki Haley, Ex-Rival de Donald Trump, Anuncia su Apoyo al Expresidente

Nikki Haley, quien emergió como la rival más persistente y crítica de Donald Trump durante las elecciones primarias republicanas, anunció que tiene la intención de votar por el ex presidente de los EE. UU. en noviembre.

Haley habló en el Instituto Hudson en Washington el miércoles, su primera aparición pública desde que se retiró de la carrera en marzo. Se le preguntó si Joe Biden o Trump harían un mejor trabajo en cuestiones de seguridad nacional.

La ex embajadora de la ONU y gobernadora de Carolina del Sur enumeró una serie de prioridades al elegir a un presidente, que incluyen el apoyo a los aliados y exigir cuentas a los enemigos, apoyar el capitalismo y la libertad mientras se reduce la deuda nacional.

Nikki Haley Apoyará a Trump

Joe Biden Contra Trump

"Trump no ha sido perfecto en estas políticas", dijo Haley. "Lo he dejado claro muchas, muchas veces. Pero Biden ha sido un desastre. Así que votaré por Trump."

La política de 52 años agregó como nota al pie: "Dicho esto, me mantengo en lo que dije en mi discurso de suspensión. Trump debería llegar a los millones de personas que votaron por mí y continúan apoyándome y no asumir que simplemente estarán con él. Y espero genuinamente que lo haga".

Haley se une al líder de la minoría del Senado, Mitch McConnell, el ex fiscal general William Barr y Chris Sununu, el gobernador de Nuevo Hampshire, en las filas de los antiguos oponentes de Trump que apoyarán al presidente como nominado del partido.

Durante una campaña primaria tumultuosa, dijo Haley que Trump había "perdido cualquier tipo de viabilidad política", mostró "debilidad moral" y es "delgado y fácilmente distraído". Argumentó que Estados Unidos necesita alejarse de su "caos". Trump respondió y recientemente desestimó los informes de que podría considerar a Haley como su compañera de fórmula.

El giro de Haley provocó una reacción inmediata. Sarah Longwell, una estratega política y editora de la publicación conservadora Bulwark, tuiteó: "Así que cuando Nikki Haley dijo, 'Ahora le corresponde a Donald Trump ganarse los votos de los que están en nuestro partido y más allá de él que no lo apoyaron', en realidad quiso decir, puede tratarme y a mis votantes como basura y todavía caeré en línea y apoyarlo".

Joe Walsh, un ex congresista republicano, agregó: "Esto no es complicado: Nikki Haley cree que Trump es inadecuado. Y cree que nunca debería volver a la Casa Blanca. Pero si lo dijera públicamente, su carrera como republicana habría terminado. Así que, como se esperaba, decidió no ser veraz. Para mantener su carrera como republicana".

Aunque se retiró de las primarias a principios de marzo, Haley ha continuado atrayendo hasta el 20% en las encuestas, una clara señal de advertencia para la campaña de Trump. El ex presidente ha descartado la idea de intentar apelar a los votantes de Haley, donde Biden dijo en Atlanta este fin de semana: "Déjenme decir, siempre habrá un lugar para los votantes de Haley en mi campaña".

Trump también ha sido respaldado por antiguos oponentes en las primarias republicanas, incluidos Doug Burgum, el gobernador de Dakota del Norte, Vivek Ramaswamy, un empresario, y el senador de Carolina del Sur Tim Scott.

Antes en el evento en el Instituto Hudson, al que asistieron varios embajadores extranjeros, Haley fue
