Live betting and streaming

One of 4 the standout features of the 20bet product for me is the live betting menu. It's literally standing out all over 4 the home page and main pages of the 20bet betting site. There's a comprehensive list of live betting sports and 4 markets on the home page covering a multitude of sports including popular US sports to European sports like Tennis. Banking at 20bet Ireland

Banking options and payment methods at online sportsbooks like 20bet 4 Ireland are probably one of the most underrated, yet most important features. Ease of both depositing and having withdrawals processed 4 and take-out funded to your accounts quickly and efficiently is a prerequisite.

Account statements with lots of gambling deposits and withdrawals 4 can be messy and it might also be dangerous to have online banking open on your phone. These are reasons 4 why eWallet payment providers come in handy, not to mention the speed and ease of depositing and withdrawing funds in 4 just a few clicks. Fortunately, 20bet Ireland has an abundance of payment options - from online banking, Visa, to Interac 4 and Skrill, and many more.

It's easy to make a request for a withdrawal or deposit funds into your 20bet account. 4 Just go into your 'account' section and banking area, then follow the instructions. There will be deposit and withdrawal limits 4 that vary depending on the payment methods you use but in general requests will be dealt with quickly and efficiently. 4 It's common to have to withdraw first and foremost to the payment method you used to deposit until it balances 4 off.

20bet Customer support

Customer support at 20bet Ireland is a solid area. Our 20bet review shows people concerned with the lack 4 of a phone call option, and that earns them some minus points. Reach support through a website form in the 4 'contact' area or send them an email at support@20bet.

Response time at 20bet is generally fast and your issues will usually 4 be addressed to your satisfaction. Offshore operators tend to be a little bit better with their customer service and their 4 staff are generally a little more knowledgeable re sports betting. Live chat or email support runs 24/7, and overall the 4 customer service offered by 20Bet is solid and we can't complain.
