At peak hours or late at night, Adriano would often find himself playing until 3 a.m. Before starting, he would play. He also made a conscious effort to cut back on the number of games he played and the duration of each session.

#### Realization:

After two weeks, Adriano realized that his winnings had increased. Before implementing his plan, he lost much more than won. But now the tables had turned. His daily routine included setting his time and budget before playing began.

The lesson he learned was simple: discipline is key. Even though it was hard at first to limit himself, he ultimately succeeded. Adriano beganrting and kept to his budget restrictions, maximizing his earnings. And you can too!
