A Association for the Advancement of Medical Instrumentation (AAMI) offers various certifications for medical equipment technicians. In this article, we will discuss the different certifications offered by AAMI and their significance in the industry.

CBET Certification

The Certified Biomedical Equipment Technician (CBET) certification is a prestigious credential offered by AAMI. To qualify for this certification, candidates must have an associate's degree or higher in electronics technology and three years of experience as a biomedical equipment technician, or they must have completed a biomedical equipment technology program in the US military and have two years of experience as a biomedical equipment technician. This certification must be renewed every three years.

Other AAMI Certifications

In addition to CBET, AAMI offers the following certifications:
