The Hand of Midas Slot Game Overview

The bet sizes available in The Hand of Midas range

from 20p to £25.

Betting in this game is fixed at 20 paylines.

Wild Symbols

Reels 2 and

4 are the only places that Wild symbols can appear.

Wild symbols can replace all other

symbols, with the exception of Scatter symbols.

A random multiplier of 1x, 2x or 3x is

added to the total win from any spin that features a Wild symbol, and if two or more

land on a single spin then the multipliers will be added together.

Scatter Symbols

You

will only discover Scatter symbols on the reels while playing the base game.

To trigger

the Free Spins Bonus, at least three Scatter symbols must be displayed.

Free Spins

Bonus

For every Scatter that was used to activate the Free Spins Bonus, you will use

three mini reels, which are able to trigger one, two or three free spins.

The reels

will spin, and you will receive the corresponding amount of free spins, while there

will also be a win multiplier applied to the winnings of each spin.

If a Wild symbol is

displayed, it could cause the multiplier's value to randomly be boosted by 1x, 2x or

3x.

Wild symbols are locked onto the reels whenever they appear, remaining in place

until Free Spins has ended.

A total bet win is guaranteed, and the value of this win is larger if you land more Scatter symbols when triggering the Free Spins Bonus.
