Em resumo, Betway é uma escolha confiável e popular para apostas esportivas e jogos de casino online, oferecendo uma ampla variedade de opções de apostas, excelente atenção ao cliente e uma sólida plataforma de suporte móvel.

### Hot Spin Megaways Review

The Hot Spin concept has been somewhat of a success story for iSoftBet, and the Megaways version seems like a perfect way for the series to culminate, and end on a high note. At least for the time being, as we are sure iSoftBet has more follow-ups in the works if Hot Spin Megaways is a hit. As punters familiar with the licenced engine can probably imagine, it's basically the same game as the 2 originals, but with more of everything.

The Deluxe version came with some extra modifiers, but more importantly, a significantly higher potential than the first game. However, that's peanuts compared to the 50,000x max win you get here. With even more exciting modifiers from the Hot Wheel, as well as cascading dynamic reels, the Megaways version seems like a no-brainer option compared to the predecessors.

### Hot Spin Megaways

#### Slot - Reels Screen

#### Hot Spin Megaways Features

The Cascading Reels feature kicks in whenever you land a winning combo, and this removes all winning symbols from the grid. You have wilds to help you in that regard, landing on reels 2, 3, 4 and 5 only, and stepping in for all regular pay symbols. The gaps from the removed winning symbols are filled with new or existing symbols dropping from above, and the process repeats as long as you keep winning.

The Hot Spin Wheel seen on the left-hand side can trigger at

random times, and this awards 1 of the 9 modifiers we'll describe briefly below:

Wild -

awards 5 to 8 wilds randomly to the grid.

- awards 5 to 8 wilds randomly to the grid.

Super Wild - awards 8 to 12 wilds randomly to the grid.

- awards 8 to 12 wilds randomly

to the grid. In Sync - synchronizes up to 3 reels with matching symbols.

- synchronizes

up to 3 reels with matching symbols. Super In Sync - does the same with up to all 6 reels.

- does the same with up to all 6 reels. Wild Reels - turn reels 2, 3 and 4 wild.

- turn reels 2, 3 and 4 wild. Super Wild Reels - does the same, but the wild

reels come with multipliers of x2, x3 or x5. Mystery Symbols - awards 6 to 10 mystery symbols randomly placed, and these turn into a randomly selected matching symbol.

-

does the same, but the wild reels come with multipliers of x2, x3 or x5. Mystery

Symbols - awards 6 to 10 mystery symbols randomly placed, and these turn into a

randomly selected matching symbol. Super Mystery Symbols - does the same, but you can get up to 16 mystery symbols.

- does the same, but you can get up to 16 mystery

symbols. Max Megaways - all 6 reels land with 7 rows, giving you a 117,649 win ways spin.

- all 6 reels land with 7 rows, giving you a 117,649 win ways spin. Bonus Trigger

- awards the Hot Spin free spins bonus round.

The Hot Spin Bonus Round can also be

triggered when you land 4 bonus wheel scatters anywhere in the same cascading sequence.

You get to choose between 4 free spins options as follows:

5 free spins with a x5

starting multiplier.

with a starting multiplier. 10 free spins with a x3 starting multiplier.

with a starting multiplier. 15 free spins with a x1 starting multiplier.

with a starting multiplier. Mystery option - awards 5 to 15 free spins and x1 to x5 starting multiplier.

The multiplier increases by +1 per cascading win, and it

applies to the next win you get. As is usually the case in Megaways titles, the

multiplier comes with no upper limit, and you can also win +3 and +5 extra spins by landing 2 or 3 scatters during the same cascading sequence.

The Free Spins feature

comes with a somewhat different Hot Spin Wheel, and it triggers at random times during

the feature. The available bonus round modifiers apply to a single spin when triggered, and they are as follows:

Random Wilds - awards 5 to 12 wilds randomly placed on the reels.

- awards 5 to 12 wilds randomly placed on the reels. Max Megaways - awards a spin where all 117,649 win ways active.

- awards a spin where all 117,649 win ways

active. Mystery Symbols - awards 6 to 15 mystery symbols randomly placed on the reels.

- awards 6 to 15 mystery symbols randomly placed on the reels. Multiplier Boost

- increases the multiplier by +3.

- increases the multiplier by +3. Symbols Removed - removes all low-value fruit symbols.

The 200 Spins Hot Spin Megaways Experience

The

highlights video starts out rather uneventful, with one dead spin after another. Then we suddenly land 4 scatters around 0:40 into the 2-minute video, and we tried our luck with the Mystery option. This awarded 9 free spins and a x5 starting multiplier, and you can see how much we got away with by hitting the play button below.

Review

Summary

In retrospect, it seems pretty inevitable that iSoftBet's Hot Spin series culminated in a Megaways release. The Hot Wheel modifiers meshes perfectly with the dynamic reels grid, as well as the cascading wins mechanic. That being said, it would have been fun to see the thing triggered a bit more often. Perhaps a symbol collection or cyclic trigger would have done it more justice, but you do get the enhanced spin on a semi-regular basis.

The best argument for picking this game over the originals is undoubtedly the 50,000x potential. That's 10x higher than the Deluxe version (and 100x the original), and despite the massive max win difference, the 95.98 % RTP remains virtually unchanged. If you enjoyed the predecessors, we see no reason why you would not love an installment where everything is bigger, bolder and maxed out. As for new players, this Megaways version is really the only one you need.

Pros 9 Hot Wheel base

game modifiers

4 bonus round options of spins/multiplier

Bonus round w/ progressive multiplier

5 Hot Wheel free spins modifiers

Win up to 50,000x your stake Cons Hot Wheel

triggers are not too frequent

If you enjoy Hot Spin Megaways you should also try:

Hot

Spin - comes with 6 randomly triggered Hot Spin modifiers in the base game, and you get 1 of these on every spin during the bonus round. The max win is only 500x your stake in this original version though, but it's something to consider if you want to go to the roots.

Hot Spin Deluxe - is pretty similar to the original version, but it comes with some extra modifiers on the Hot Spin Wheel. A notable difference is the 10x multiplier you can get, which raises the potential max win for this follow-up title to 5,000x your stake.

Joyful Joker Megaways - is a fruit slot inspired title from All41, and it comes with rolling reels and up to 117,649 win ways. Random Joker Wheel Spins award random starting cascading win multipliers up to 10x, and the bonus round comes with a progressive win multiplier for payouts up to 23,000x your stake.

Desafios e Vitórias

To win a double chance bet, wager on outcomes you think will happen. You then use the other outcome from your double chance bet as a safety net. For instance, if you think Chelsea will win, bet on Chelsea Win/Draw. Even if the match ends in a draw, you win your bet.
