longo do caminho! O game É muito emocionante e foi Uma ótima opção para quem goste de jogos desafiadores:

### 3. 7games app download :jogo que mais paga na betano

## Ex-líder separatista catalán Carles Puigdemont desafía orden de arresto en mitin en Barcelona

El ex-líder separatista catalán Carles Puigdemont desafió una orden de arresto para aparecer en un mitin en la ciudad española de Barcelona el jueves, después de siete años de exilio autoimpuesto, y luego desapareció antes de que la policía pudiera arrestarlo.

Entre un fuerte despliegue policial, Puigdemont habló ante una multitud de miles de seguidores en la capital catalana desde una plataforma cerca del parlamento catalán antes de desaparecer tras bambalinas.

Les dijo a la multitud que pretendía revivir la campaña independentista que sumió a España en una crisis política hace siete años.

"Hoy, muchos pensaron que estarían celebrando mi arresto y que este castigo nos disuadiría - y a ustedes", dijo.

"Hoy vine a recordarles que todavía estamos aquí! Todavía estamos aquí porque no tenemos derecho a renunciar."

Altos cargos de su partido Junts, incluido el presidente del parlamento Josep Rull, y miembros del partido separatista moderado Esquerra Republicana de Catalunya, que actualmente dirige el gobierno regional, encabezaron una marcha al parlamento catalán después del mitin mientras los periodistas intentaban ver si Puigdemont estaba entre ellos.

Un debate para juramentar a Salvador Illa como presidente de Cataluña, poniendo fin a una década de gobierno separatista, comenzó entre la confusión y la especulación sobre los lugares donde se encontraba Puigdemont y cómo había podido desaparecer a la vista.

"Tuvimos que ver cómo el estado permitió que este criminal celebrara un mitin", dijo Ignacio Garriga, secretario general del partido de extrema derecha Vox, a los reporteros frente al parlamento catalán. "No entendemos por qué no ha sido arrestado todavía."

Un portavoz del Ministerio del Interior catalán confirmó que Puigdemont había eludido la captura. "Puedo confirmar que Puigdemont no ha sido detenido todavía", dijo. "Puedo confirmar que se han establecido puestos de control para encontrarlo."

Puigdemont, de 61 años, huyó a Bélgica hace siete años después de un intento fallido de secesión y ha estado viviendo en el exilio desde entonces. Ahora es probable que sea detenido por una orden de arresto pendiente por el presunto desvío de fondos, que niega.
