In sports betting, "1X" is a betting option that refers to a double chance bet. It means you are betting on two possible outcomes of a match rather than just one. Specifically, when you see "1X," it means you are betting that either the home team wins (1) or the match ends in a draw (X).

Você pode fazer múltiplas apostas no mesmo jogo?

Hello Betwinner,

I have been into sports betting for at least 12 years and i used different bookmakers and honestly never faced any kind of problem.

Until i decided to give a try to Betwinner because it seemed to me interesting. I created my account normally and wanted to make a deposit. I opened the deposit window and saw the methods available and there was this certified guy that Betwinner directs you to his Whatsapp conversation.

I asked this person if he accepts top-up cards he said yes. I went on to get a top-up card with a value of 50 MAD, thankfully i was careful enough to NOT trust him directly with a bigger amount because i wanted to test his credibility first. As soon as he received my top-up card he deleted the messages where he stated that he accepts top-up cards and proceeded to blocking me.

Of course i headed to your security department and also finance department to file a complaint, they asked me multiple times about details of what happens : Phone number of the agent, screenshots of the conversation, my bet account's ID ... After repeating the same step at least 3 times, i've been told that the agent would like to give me explanations and if i am okay with it, of course i replied with yes although i don't need explanations to premeditated actions.
