conteúdo:

If the money is coming from professional bettors you want to bet with the money because it's considered "sharp" or "smart" money. If the money is coming from average Joes who are betting for fun, you want to be against the money because it's considered public or "square" money.

[apostas online sport net vip](#)

Smart money is capital placed in the market by institutional investors, market mavens, central banks, funds, and other financial professionals. Smart money also refers to the force that influences and moves financial markets, often led by the actions of central banks.

### **Militares russos entram em uma base aérea de Níger donde**

# hay tropas estadounidenses

Militares rusos han entrado en una base aérea en Níger que alberga a tropas estadounidenses, después de que la junta militar del país decidiera expulsar a las fuerzas estadounidenses del país.

Los oficiales militares que gobiernan la nación del oeste de África han ordenado a los Estados Unidos que retiren a sus casi 1.000 efectivos militares del país, que hasta un golpe el año pasado había sido un socio clave de Washington en la lucha contra los insurgentes que han matado a miles de personas e desplazado a millones más.

Un alto funcionario de defensa de los Estados Unidos, que habló bajo condición de anonimato, dijo a Reuters que las fuerzas rusas no se mezclan con las tropas estadounidenses pero utilizan un hangar separado en la Base Aérea 101, que está junto al aeropuerto internacional Diori Hamani en Niamey, la capital de Níger.

## Seguridad y relaciones internacionales

La presencia de militares rusos en Nigeria sitúa a las tropas de los EE. UU. y Rusia en proximidad cercana en un momento en que la rivalidad militar y diplomática entre las naciones está cada vez más marcada por el conflicto en Ucrania.

También plantea preguntas sobre el destino de las instalaciones estadounidenses en el país después de una retirada.

"La situación no es grande pero manageable en el corto plazo", dijo el funcionario.

Las embajadas de Níger y Rusia en Washington no respondieron de inmediato a una solicitud de comentarios.

Los Estados Unidos y sus aliados han tenido que trasladar tropas de varios países africanos después de golpes de Estado que llevaron al poder a grupos deseosos de distanciarse de los gobiernos occidentales. Además de la inminente salida de Níger, las fuerzas estadounidenses también han abandonado Chad en días recientes, mientras que las fuerzas francesas han sido expulsadas de Malí y Burkina Faso.

Mientras tanto, Rusia está buscando fortalecer las relaciones con las naciones africanas, promocionándose a sí misma como un país amigable sin cargas coloniales en el continente.

Mali, por ejemplo, se ha convertido en uno de los aliados africanos más cercanos de Rusia en los últimos años, con el grupo wagner de fuerzas mercenarias desplegado allí para luchar contra los insurgentes yihadistas.

El oficial estadounidense dijo que las autoridades nigerinas le dijeron a la administración de Biden que habría alrededor de 60 efectivos militares rusos en Níger, pero el oficial no pudo verificar este número.

Después del golpe de Estado, las fuerzas militares estadounidenses en Níger trasladaron algunos de sus efectivos de la Base Aérea 101 a la Base Aérea 201 en la ciudad de Agadez. No estaba claro qué equipo militar de los Estados Unidos seguía en la Base Aérea 101.
