to lose, just restart the game and play again!

Christmas Poker has the same rules as Texas Holdem. Texas Holdem is a game of both chance and skill. The object of the game is to eliminate all opponents at the table by taking their money. Beat Holdem by betting on hands that you feel are good, and folding when you don't feel confident. That said, there are a number of different strategies to adopt while playing this poker game. Sometimes, you can win a round by betting as if your hand is much better than it actually is. This is called "bluffing", and the best poker players know when to bet while bluffing as often as when they have a good hand.

Keep playing Christmas-Poker until you collect your opponents' chips or lose all of yours. If you have lots of money, you can always leave and come back with Christmas Poker's innovative Resume feature. Or, in the case you lose, just restart the game and you'll be right back at R\$1,000 again! The VIP experience never ends at Christmas Poker!
