With Yandere Simulator you need to help your character to conquer the love of his life, for which it will be necessary to eliminate all the other girls from the school. Being a simulation game, it is quite entertaining, and surely you have tried it and want to continue using it as many times as you can.

That is why in this Dontruko article we are going to teach you how to play Yandere Simulator on Poki, so you have access to the game at all times.

Yandere Simulator Poki

Find out how to play Yandere Simulator on Poki

Yandere Simulator is very easy to understand, and when you use it in Poki, you will be able to enjoy hours of fun without complicating yourself. The website is not only organized in a way that makes it easy for you to get to your favorite type of games, but also helps you get to the one you like the most quickly.

This is possible thanks to search engine you find on the page main, which you can access like this:

Enter the browser of your phone or computer, and in the search bar type "Poki". After pressing Enter, you will see a list of results, and the one that will take you to the platform is the first. Once you enter, direct the cursor to the magnifying glass located under the logo, and click on it. Next, a text box will open, and this is where you will indicate the name of the game, Yandere Simulator. When the game is not available on the platform, You get a warning that it has not been found. If this happens, you will have to wait until it is, but don't worry, you can use the other simulation games on the web, so you won't waste time having fun.

Get to know the mechanism of Yandere Simulator

In this game, your main mission is to control a schoolgirl known as Yandere, who she is madly in love with a boy at school. The problem is that every time she approaches him, she gets very nervous, and she can't talk to him.

Meanwhile, the other girls who approach him become a threat, and that is why he decides to finish them off before they stay with their lover. That is when your ability to create strategies comes in, because you must think of all possible ways to eliminate them.

Mojo's: La Histórica Sala de Espectáculos de Fremantle

Detrás de una fachada de tienda del siglo XIX pintada con colores rojos, azules y amarillos, una joven banda de indie-pop llamada Little Guilt está subiendo al pequeño escenario con cortinas de terciopelo. Están lanzando su nuevo sencillo frente a una multitud sudorosa de veinteañeros un sábado por la noche en North Fremantle. Es una escena que recuerda a Berlín o incluso a Austin: un desfile nebuloso de melenas, bigotes y cinturas, juegos de billar con insinuaciones, baños gráficos y conversaciones borrosas, rodeados de pintura descascarillada probablemente más antigua que los propios asistentes.

Este público repleto de vitalidad quizás no lo sepa, pero está de pie sobre un terreno sagrado para la música de Australia Occidental. Desde finales de la década de 1960, Mojo's ha sido un campo de pruebas para algunas de las bandas más queridas del país (y del mundo), incluyendo a los héroes locales Tame Impala, los Triffids, los Farriss Brothers (que más tarde se convirtieron en INXS), Pond, Jebediah, Spacey Jane, John Butler, Abbe May, San Cisco y demasiados otros como para nombrarlos.

"Es una sala de forma tradicional", dice James Legge, director gerente de Triple-1-Three, que posee el local con capacidad para 200 personas. "No está pulido en absoluto, hay algunas astillas y grietas por aquí y por allá, pero hay capas de historia en estas paredes, lo que da a Mojo's su atmósfera".

Lo aún más notable que las bandas que han actuado aquí es la historia del propio local, su evolución (y supervivencia) a lo largo de más de 50 años.

'No está pulido por lo menos'... el director gerente de Mojo's, James Legge, en el local.

{img}grafía: Stef King/The Guardian

A finales de los 60 fue un turno como el Noggin Shop, y luego se convirtió en el Stoned Crow desde los 70 hasta los 90. Descrito por un espectador como "pequeño, oscuro y un poco sucio", era conocido por sus estupendos asados dominicales de 2,50 dólares, jarros de jarabe de fruta y verduras fermentadas (Kirup syrup) y por impulsar la crema de la escena local, desde los Triffids

hasta los Científicos.

En 1998, fue adquirido por Phil Stevens, promotor de música y manager de artistas, y su esposa, Anna Chiovitti. Desmantelaron sus interiores, instalando nuevas instalaciones escénicas y cortinas de terciopelo rojo, y lo renombraron Mojo's.

Fue una "era dorada", según Stevens, con fiestas temáticas bulliciosas, "martes melancólicos" dedicados al funk y al soul, noches de cómica y conciertos bien
