Introduction

CBet, or Competency-Based Education and Training, is a student-centered system of education and professional training focused on developing people's competencies. It is a modular teaching method based on occupational standards and aims to prepare individuals for the job market. CBet is widely recognized and used in various industries worldwide.

CBet Implementation: Real-World Examples

CBET-DT is a television station owned and operated by the Canadian Broadcasting Corporation (CBC) in Windsor, Ontario, Canada. It implements the CBet system, and so does the Bangladeshi organization {nn}, which trains and develops competencies in various industries.
