Sportingbet is a British online gambling operator, owned by Entain plc. The company was listed on the London Stock Exchange and was a constituent of the FTSE SmallCap Index prior to its acquisition by GVC holdings.

History [edit]

The company was founded by Mark Blandford in 1997.[2] Sportingbet acquired Paradise Poker in October 2004.[3] On 7 September 2006 Sportingbet reported that its then chairman, Peter Dicks, was detained in New York City on a Louisiana warrant while traveling in the United States on business unrelated to online gambling.[4] Louisiana is one of the few states that has a specific law prohibiting gambling online. In March 2007, all Louisiana warrants involving the company were cancelled.[5]

In October 2006, Sportingbet announced Paradise Poker would stop taking deposits from US customers, although most would be allowed to continue to play for another month.[6] Additionally, Sportingbet sold all its US-facing sports betting and casino businesses, including Sportsbook and Sports, to a group of private investors forR\$1, and an assumption ofR\$13.2 million in debts.[7] In February 2007, Sportingbet announced it was eliminating its Paradise Poker software and migrating players to its Sportingbet Poker platform. Prior to this, the two platforms had approximately the same number of players, but the Sportingbet platform had higher liquidity because that platform was part of a larger network. The brand name of Paradise Poker was retained.[8]

In 2008, Netbet (Pty) Ltd, a company in South Africa, licensed the Sportingbet brand for online gambling in South Africa.

In October 2012, Sportingbet announced its board had agreed to preliminary terms for a £530

million takeover bid from UK bookmaker William Hill and Isle of Man-based GVC Holdings.[9] Under the terms, Sportingbet's Australian and Spanish operations were bought by William Hill.[10] Operations [edit]

Sportingbet operates local-focused sportsbooks, virtual games and casino sites, and the online poker cardroom, Paradise Poker. Overall, the company has over 2.5 million registered customers in 200 countries, who place over one million bets (casino, poker, sports and virtual games) per day.

Sportingbet operates several websites. The largest of these are wholly owned and operated by Sportingbet. They also use a system similar to a franchise, in which independent website operators use Sportingbet's centralised software, financial services, trading, and customer service under license. These web sites receive a cut of the profits their customers generate.

Sportingbet's corporate offices are located in Guernsey. They also have offices and call centres in the Republic of Ireland and Costa Rica. The PLC is located in Moorgate, London.

The company sponsored Premier League, Championship and League One football team Wolverhampton Wanderers from the 2009–10 season until the 2013–14 season.[11] This link-up with a football club first began in January 2009, when Bulgarian football club Slavia Sofia announced a 3-year sponsoring deal. As a result, the logo of the company appeared on the club's shirts for the 2008–09, 2009–10 and 2010–11 seasons of the Bulgarian A PFG. Sportingbet also sponsored Steaua Bucuresti of Romania for the 2009–10 and 2010–11 season. The logo also appeared on Steaua Bucuresti II, Steaua's reserve team's shirt, which now plays in Liga. Sportingbet also sponsored division 1 Victorian amateur football team Banyule FC for the 2010–2011 seasons.[12]

PAOK FC[13] (2024–2024)

CFR Cluj (2024–present)

Série B[14] (2024)

Copa Libertadores[15] (Brazil only) (2024–present)

Copa Sudamericana[15] (Brazil only) (2024–present)

Israelí Militar Utiliza Hombre Herido Palestino Como Escudo Durante Operativo en Cisjordania

El ejército israelí colocó a un hombre palestino herido en el capó de un vehículo militar durante una operación el sábado en Cisjordania ocupada.

Un video muestra al hombre acostado en la parte delantera del jeep israelí mientras conducía a través de un vecindario de Jenin. El hombre apareció encorvado sobre el capó del vehículo mientras pasaba por las ambulancias del Creciente Rojo Palestino (PRCS).

El PRCS dijo que las fuerzas militares israelíes habían impedido que sus equipos brindaran los primeros auxilios a un hombre herido en el área de Jabarat de Jenin.

"Luego colocaron a la persona herida en el frente de un jeep militar y la detuvieron antes de permitir más tarde que nuestras tripulaciones lo trasladaran al hospital", dijo el PRCS.

El estado y la identidad del hombre son desconocidos.

En respuesta a preguntas sobre el incidente, las Fuerzas de Defensa de Israel (IDF) dijeron el sábado que sus fuerzas habían violado "órdenes y procedimientos operativos estándar" y se lanzaría una investigación.

"La conducta de las fuerzas en el video del incidente no se ajusta a los valores de las FDI. El incidente será investigado y abordado en consecuencia", dijo el IDF en un comunicado.

El IDF dijo que el incidente ocurrió el sábado por la mañana durante operaciones antiterroristas para detener sospechosos en el área de Wadi Burqin al oeste de Jenin. Dijo que el hombre era un sospechoso que resultó herido y fue detenido después de un intercambio de fuego.

Fue trasladado al Creciente Rojo para recibir tratamiento médico, agregó el ejército israelí.

Ha habido un aumento en la violencia en Cisjordania ocupada desde el inicio de la guerra de Israel contra Hamás en Gaza en octubre, luego de los ataques sin precedentes y letales del grupo militante contra Israel.

Más de 500 palestinos, incluidos más de 100 niños, han sido asesinados en Cisjordania desde el 7 de octubre, según la Oficina de las Naciones Unidas para la Coordinación de Asuntos Humanitarios (OCHA).

Cerca de las tres cuartas partes de esas fatalidades ocurrieron durante operaciones de las fuerzas israelíes, dijo la agencia de la ONU.

Además de las redadas militares israelíes en Cisjordania, también ha habido un aumento en la violencia llevada a cabo por colonos israelíes contra palestinos.

Más de 700,000 colonos judíos viven en Cisjordania y Jerusalén Este en asentamientos que se consideran ilegales según el derecho internacional y se ven ampliamente como uno de los principales obstáculos para una solución de dos estados.

El viernes pasado, la administración de Biden impuso sanciones al grupo israelí Tzav 9 por interrumpir convoyes humanitarios rumbo a Gaza, la última medida punitiva tomada bajo una orden ejecutiva que apunta a aquellos que perpetran violencia en Cisjordania.
