Claim: An image shows reality television star Kim Kardashian wearing mirrored sunglasses at a poker tournament. Rating: About this rating 3 True

An image supposedly showing Kim

Kardashian wearing mirrored sunglasses at a poker table is frequently shared on social media along 3 with disparaging comments about the reality star's perceived intelligence.

One common caption, for instance, is, "Whenever you feel like a 3 moron, just remember that Kim Kardashian played poker with mirrored sunglasses."

This is a genuine

photograph of the reality television star 3 wearing reflective sunglasses at a poker table. However, this fashion choice isn't as moronic as the meme would suggest.

The

photograph 3 was taken in July 2024 at the first annual "If Only" Texas Hold'em charity poker tournament at The Forum in 3 Inglewood, Calif. While we haven't been able to source this specific photograph, we did find a number of other {img} 3 showing Kardashian wearing the same glasses at this event.

While this image is genuine, it doesn't

document a particularly unusual or 3 "moronic" choice of eye wear. Sunglasses are actually quite common around the poker table. We searched through Getty Images and 3 found photographs of professional poker players such as Phil Laak, Scott Fischman, Iwan Jones, Chip Jett, Chris MoneyMaker, and Qui 3 Nguyen wearing similarly reflective eye wear.

Here's an image of World Series of Poker Europe champion Phil Laak wearing reflective glasses 3 at the poker table:

Wearing reflective sunglasses during a poker

tournament may seem moronic to casual viewers (wouldn't the other opponents 3 be able to see their cards?), but tournament players rarely hold their cards in a position that

would result in 3 their hands' being displayed on the reflective lenses of their glasses.

Most Texas Hold'em players don't even even lift their 3 cards up off the table, opting instead to just bend up an edge for a sneak peek:

The image of Kardashian 3 wearing

mirrored sunglasses while playing poker is indeed real. However, it's not nearly as stupid as presented in this meme.
