Auto Roulette by Evolution Gaming is one of the most popular live tables in the online casino market. This casino game was released in 2024 and managed to become very popular among players due to its ease of use and engaging gameplay.

When it comes to the design and interface, Auto Roulette provides a sleek and modern look that is both visually appealing and user-friendly. Evolution set this game in a studio environment with a fully automated roulette wheel.

Players in Auto Roulette have multiple customization options that can alter graphics, camera angles, and sound to create their own roulette experience. The interface and layout are very clear, which makes it easy for players to place their bets and track their progress through the rounds.

Overall, Auto Roulette by Evolution has become very popular, especially for players who are looking for an immersive roulette experience that combines high-quality graphics and a sleek design.

With all that in mind, we created this guide to provide you with all the essential information you should know about before entering Auto Roulette. Let's dive deeper into the features and characteristics of this roulette game by Evolution.

Features of Auto Roulette

Auto Roulette is a unique take on the traditional game of European roulette, as it is a live roulette game without a dealer. However, due to this lack of live dealers, the game is fully automated and allows players to enjoy a fast-paced gaming experience with the potential to play up to 80 rounds per hour.

Of course, this game comes with a lot of features and characteristics:

The first and most important to many casino players out there is the RTP (Return to Player). Auto Roulette has a 97.3% RTP. This means that players can expect to win back 97.3% of their total wagers over an extended period of gameplay.

This means that players can expect to win back 97.3% of their total wagers over an extended period of gameplay. Additionally, this roulette live table comes with the standard European roulette odds and payout table, with a straight-up bet paying out at 35:1 odds.

When it comes to unique or special features, Auto Roulette doesn't include any unique features. However, the players who are going to enter the Auto Roulette game will see several standard

live roulette features available.

One of these well-known features is the ability to bet on the racetrack . This option allows players to place bets on specific groups of numbers, including Voisins du Zero, Tier du Cylindre and Orphelins.

China amplía política de tránsito sin visa y mejora servicios para turistas

La China expandirá su política de tránsito sin visa para incluir más países y aumentará los vuelos de entrada de los principales países de origen de pasajeros, con el fin de optimizar sus medidas de entrada y salida, según una circular divulgada este lunes por el máximo órgano de planificación económica de China.

Para facilitar aún más la experiencia de viaje de los turistas extranjeros, la China lanzará productos y servicios adicionales de viaje de entrada de alta calidad, afirma la circular emitida en conjunto por la Comisión Nacional de Desarrollo y Reforma y por otros cuatro órganos gubernamentales.

Mejora en la señalización y servicios multilingües

Esforzarse por mejorar la señalización en las calles en idiomas extranjeros en lugares públicos, como atracciones turísticas populares, restaurantes, hoteles y aeropuertos, según el documento. La circular sugiere la incorporación de servicios multilingües en aplicaciones de mapas y navegación y la mejora de los servicios de carrera compartida.

Promoción de servicios de pago con tarjetas bancarias extranjeras

En términos de servicios de pago, la China promoverá la aceptación de tarjetas bancarias extranjeras en varios lugares y tiendas, lo que permitirá un acceso más fácil a comidas, alojamiento, transporte, compra de boletos y reservas para visitantes internacionales en el país, según la circular.
