Online Slots FAQs

What Are The Best Slot Games To Play?

First

thing's first: Luckypantsbingo offers only the best! But some titles are worth playing a cheeky round or two on. The three games below are currently the hot favourites we've got onsite. And there are plenty of good reasons why they're so popular!

Fluffy

Favourites Slot:

The cute and cuddly world where you can play Fluffy Favourites slot continues to dazzle and entertain to this day! While the adorable graphics have helped it skyrocket to fame, we expect that its extra-rewarding features play a hefty role in its enduring popularity. A few scatters will earn you the free spins feature, while some bonus symbols trigger the instant win round. All rewards are in real money!

Lucky

Lady Charm Deluxe Slot:

Out of the whole series, Lucky Lady's Charm Deluxe 6 Slot is considered the most popular of the lot. Is 6 times the charm? With 6 reels spinning to land you major combinations and a wedge of fun features to kick your gameplay into gear, we'd consider this slot a major hit. It takes only a few scatters to activate the main feature of the game!

Drum roll...we've saved our current favourite until last. Fancy

a whimsical dash of nostalgia in a slot that bursts at the seams with opportunities to snag bonuses? Based on all your favourite fairy tales, each character in this slot game comes fit to boot with its very own feature. Free Spins? Tick. Instant Wins? Tick. Jackpots? Double tick! One tick for the jackpot, and one for dishing up real money wins.

How Can I Get Free Spins to Play Slots Online?

There are many ways you can get

lucky with free spins. Our promotions page is frequently topped up with amazing offers that may give you free spins on a selection of slots – simply browse through the list and claim the ones you're eligible for. Online bingo offers and claim codes can give you bonuses and free spins too!

You can also enjoy free spins while you're playing

slots! Most of our slot games offer the Free Spins Feature which is commonly triggered with the use of scatter symbols. Each slot game grants you a different number of free spins, and some can give you over 100 free spins! Visit our collection of Free Spins Feature slots to know which games offer them.

Can I Win Real Money on Online Slots Games?

Of course! Real money bets on slot games will bring you real money wins – and you can withdraw your wins at any time.

If you're using bonuses or free spins, there

might be some wagering requirements attached to the bonuses. Once you complete them, the bonus wins will convert into real money that can be withdrawn. To be clear, bonuses come with a maximum amount that can be converted to real money and a maximum amount that can be withdrawn. So, don't forget to double check the terms and conditions of the offer!
