Sahara Nights (Yggdrasil Gaming): Overview

At this point, we've seen enough takes on the

Aladdin-inspired story to know game developers don't always concern themselves with

breaking out of the mold. It's perfectly understandable though - classics are classics

for a reason. In other words, if it works, why fix it? It should come as no surprise

that Yggdrasil Gaming's visit to the world of flying magical carpets and spiritual

creatures, for the most part, is satisfied to colour inside the lines. However, what

you're getting here is a visual masterpiece and a captivating adventure that could

possibly have spent a bit more time on the mathematical design.

Open Sesame! In this

first-ever Arabian-themed offering from Yggdrasil Gaming you'll be chasing your wishes

across a 5x3, 20-payline reel set. Medium variance, it comes with magical lamps in the

base game that expand into mystical genie wilds and a free spins round where up to

three fully stacked sticky wild reels can turn gild to gold. Use any device, including

iOS and Android, to transport yourself to the Saharan desert and start spinning from

0.20 to €/\$100 per spin.

We know we say this in nearly every Yggdrasil Gaming review,

but it's worth mentioning again. These guys design some of the best looking games in

the industry and Sahara Nights is no exception. In fact, it's so visually appealing and

atmospheric that we ended up spending far more time testing a game than usual. It's

highly detailed, rich in colour and includes a beautiful string orchestral score that

is a perfect fit for the game. Set inside the sultan's palace, and with the Arabian

night sky visible in the distance, symbols on the reels include 4 lower-value gemstones

as well as 4 more rewarding picture symbols represented by goblets, daggers, Aladdin

and a princess. The sultan is by far the most rewarding, giving you 175 times your

stake for a five of a kind combination - you only need two of him to form a win as

opposed to the other symbols where three are required. The genie lamp is the wild, it

substitutes for all regular symbols and is of central importance as you will

discover.

Sahara Nights (Yggdrasil Gaming): Features

Sahara Nights is not the most feature-packed slot to ever come from Yggdrasil, but those that are in place are sufficiently entertaining. First out is the Genie Wild which only appears on the three central reels. When part of a winning combination, the genie wild transforms from a regular wild into a fully stacked wild.

The Genie Wild feature applies in the Free Spins game as well which comes into place when you land 3, 4 or 5 storybook scatters anywhere on the reels - this will give you 8, 12 or 16 free spins respectively as well as a 1000x reward if you land all 5 of them. Now, when a Genie Wild hits during the bonus, it not only expands as it does in the base game, it also sticks throughout the feature. If you land all three of them, 2 extra free spins will be added to your total. You can also retrigger the bonus with 2 extra spins by landing 2 storybook scatters anywhere in view.

Sahara Nights (Yggdrasil Gaming): Verdict

If you're looking to escape to a magical place for a while and immerse yourself in a game with excellent visual presentation, an outstanding soundtrack and not so brutal volatility, Sahara Nights should be well suited for you. Hard-core players that are in for big hits and fast-paced action will have to look elsewhere, though, as the potential is anything but exciting.

The fact that regular symbols don't appear stacked, and seeing that it's only possible to land sticky wilds on the three central reels, keeps the game from being as potent as it could have been. Medium variance, the low potential comes as no real surprise, although it's far lower than necessary - in our opinion, at least. The single top payout will not be achieved with the help of the standard symbols or even the sticky wild reels, which can only pay around 250x per spin by the way, but by landing 5 storybook scatters as mentioned previously.

Sahara Nights is a beautiful game; there is no question about that. It's also quite entertaining to play, although, for some, the experience will undoubtedly be dampened by its weak potential. All there is left to hope for now is for your session not to be as dry as the desert of Sahara huh huh.

Jürgen Klopp se culpa por el bajón final de la temporada de Liverpool

Jürgen Klopp se ha culpado a sí mismo por el declive al final de la temporada de Liverpool, a pesar de casi haber cantado "¡Queremos verte luchar!" por primera vez en su carrera como entrenador durante la derrota del derbi ante el Everton.

El entrenador de Liverpool insiste en que es responsable de no haber logrado motivar a su equipo para que atacara la recta final del título con su marca de "fútbol positivo". La derrota por 2-0 del miércoles en Goodison Park, que puede haber arruinado las esperanzas de título de Liverpool, dejó a Klopp más frustrado y decepcionado después de una derrota de lo que pueda recordar. "Odio nuestro juego", dijo el viernes, cuando su desánimo seguía claro.

Klopp admitió haber sentido una carga por el hecho de que su última temporada como entrenador de Liverpool corre peligro de terminar amesetada. "Sí", dijo. "Es difícil de explicar, pero odié nuestro juego. No estábamos ni cerca de lo que queremos ser. De alguna manera sucedió que ya no vemos la positividad en la situación, de que tenemos un buen punto de partida, así que vamos y perseguimos a los demás. Pero solo se puede perseguir de una manera positiva.

La falta de actitud positiva

"Viste el juego. No fue el primero [enojo] pero fue el peor. Crystal Palace no estuvo ni cerca. Veo dos equipos [Arsenal y Manchester City] que juegan fútbol realmente positivo y van por ello. Podemos hacer eso, pero no lo hacemos en este momento. ¿A quién puedo responsabilizar de eso? Es mi trabajo hasta el último día para asegurarme de que los muchachos lo sientan.

"El juego fue simplemente horrible de ver. En Alemania, cuando la multitud no está contenta con el equipo y piensa que no luchan lo suficiente, cantan 'Wir wollen euch kämpfen sehen', lo que significa 'Queremos verte luchar'. Estuve a punto de cantar eso por primera vez! Nunca mi equipo lo ha escuchado antes. Nunca. Nunca sentí que mi equipo no luchara, porque mi equipo siempre fue por ello. ¡Y ahora, vaya, cómo puede suceder eso!

Errores defensivos

Klopp fue visto en la televisión con una sonrisa irónica después de los goles del Everton. Tuvo una reacción similar después del gol ganador de Eberechi Eze para Palace en Anfield, diciendo "Wow", y dice que la defensa de Liverpool últimamente lo ha dejado incrédulo.

"Confía en mí, no sé qué pensé en esos momentos, pero el primer gol fue una broma", dijo. "Es solo lo que sucede cuando no eres tú mismo. Podríamos haberla despejado sobre la tribuna cinco veces y al final [Jarrad] Branthwaite desvía mal la pelota y rueda. Puedes reírte de eso, pero fue increíble. Cometimos errores antes en otras temporadas, pero tienes que luchar contra eso.
