Medusa is a 5-reel video slot offering betting on up to 25 paylines.

This slot is available online and was designed by Nextgen Gaming, known for impressive animations, seamless functionality, and storylines that don't disappoint, and Medusa

the slot is no exception. One of the more graphically striking video slots by this developer, Medusa the slot had to live up to its namesake. Legends portray Medusa as

strong, fierce, and powerful, all the while remaining terrifying. This slot is

detail-oriented and beautifully crafted to appeal to epic adventurers who enjoy a good myth-inspired video slot, complete with wild symbol, scatter symbol, free spins event, multipliers, and a bonus, not to mention the highest payout is worth 5,000

coins.

Medusa not a Hoax after All!

This Nextgen slot paints a picture of Medusa's dark

side that until now was only a story told from Greek mythology. Now, after eons, she finally has her own slot in which the goddess is depicted with a beautiful face and

glowing green eyes. But activate the expanding wild and reveal her true self, a head full of vicious snakes where her hair should be. Don't look though, for one glance and you too could be forever in stone like so many who have dared to allow their selves the

pleasure of one glimpse. While this game isn't necessary considered to be an Android slot game just yet, you'll be glad to know that you can play the flash version of this game in your browser without having to download any files.

Today is a dark day in the

Acropolis of Athens and the dark clouds are looming as lightning, thunder, and the strong wind occupy the skies. The town appears deserted; everyone hides from Medusa. In fact, Medusa is so close to your hideout that you can actually hear the hissing sound from the snakes on her head.

The beautiful symbols that support the theme are sinister

representations of things that relate to Medusa's story, such as a Pegasus, Acropolis, Statues, Snakes, Gorgoneion Protective Shield, Broken Spears, Grapes, Winged Sandals, Earrings, and Vases, Medusa herself, and Medusa's Logo, drawn in 3D presentation.

Nextgen clearly put a lot of effort into the Medusa slot.

As Many Features as there are

## Snakes on Medusa's Head

Medusa is your wild symbol and the key to Turned to Stone Re-Spins feature. You will trigger the Re-Spins when Medusa materializes on reels 2, 3, and 4. All wins during the Re-Spins are tripled. During Re-Spins, reels 2, 3, and 4 are turned to stone, one of them breaking into an expanded wild. The expanded wild remains locked for the remainder of the Re-Spins. As a wild symbol, Medusa will substitute all other symbols on the reels to create winning pays, apart from Pegasus and her own Logo. You cannot retrigger Re-Spins during the feature, nor can you activate the Pegasus Bonus or the Once Bitten Bonus features during Re-Spins.

Medusa offers a Gamble feature

that affords winning spins the opportunity to double or quadruple that payout. The Gamble feature is optional and automatically triggers after each winning spin. To opt out, simply decline the gamble.

Once Bitten Bonus Event

The Once Bitten Bonus will

initiate when 3 or more Medusa Logos scatter across the reels. When this happens you will be awarded with 10 free spins and a 2X multiplier applied to all free spin wins.

During this feature, the Soldier will randomly appear on reel 3. When this happens, you will be awarded with 3 Super Spins. All Super Spins are played after the Free Games and all prizes are subject to 5X multiplier. You can still retrigger more free spins and Super Spins during this feature. The Super Spins and free spins are all played at the lines and bets per line as those of the triggering round.

Pegasus Bonus Event

The

second big bonus feature in the Medusa slot game is the Pegasus Bonus that automatically triggers when 3 Pegasus symbols scatter across the reels. Once triggered, you will be asked to pick a Pegasus to win a prize. This prize could be as high as 50X the triggering bet. In addition to the prize, you can also be awarded with a Win All or Pick Again option. The Pegasus Bonus feature can also be triggered during the Free Spins and the Super Spins events, and all wins are multiplied 2X or 5X, respectively.

Great for All-Limit Players

Medusa features adjustable paylines that run

from 1 to 25. You can also adjust your coin values from 0.02 to 4.00. This therefore means that you can place bets on all paylines for just 0.50 coins or as high as 100 coins. The standard jackpot pays out at 5,000 coins, which is a bit low compared to other Nextgen games like Magical Grove, but with the hefty bonuses and features, you will most likely come out better thanks to the Free Spins, Super Spins.

You Will Love

this Slot

As Nextgen Gaming has grown and developed as a company, so have their video slots, and Medusa is evidence of this. The design is impeccable and side by side other slots, it's a head above the competition (with snakes and all). The multipliers are pretty enticing across the board. Medusa is a must-play slot game, which you can do for free. If you consider yourself to be somewhat of a slots expert (or even if you don't), take this challenge and go play Medusa. You will love this slot. Don't worry though, because if it turns out that this game isn't for you, you can play other games such as Deuces Wild poker online whenever you need a break from the slots.

## **Vitória de Modi na Índia depende de dois políticos regionais**

Após suas duas primeiras vitórias nas eleições nacionais, o Primeiro-ministro Narendra Modi da Índia estabeleceu facilmente seus próprios termos, com seu Partido Bharatiya Janata vencendo maiorias claras.

O resultado foi diferente nesta votação. Ainda foi uma vitória, mas uma que o deixou dependente de uma série de parceiros de coalizão - especialmente de dois outros políticos de partidos regionais que poderiam fazer ou desfazer a capacidade de Modi de formar um governo.

Dos mais de uma dúzia de partidos que compõem a coalizão do B.J.P., conhecida como Aliança Democrática Nacional, a maioria venceu apenas uma ou duas cadeiras. Os parceiros que Modi mais precisa são avowedly seculares e removidos de mr jack beats app ideologia hindu-nacionalista.

As câmeras às quartas-feiras seguiram cada palavra, encontro e movimento dos líderes dos dois partidos, N. Chandrababu Naidu do Telugu Desam Party, e Nitish Kumar do Janata Dal-United, cujos 28 assentos no Parlamento o primeiro-ministro precisa para permanecer no poder e pressionar mr jack beats app agenda.
