Recycling centres

You MUST BOOK A SLOT at the recycling centre before visiting. If you haven't booked a slot, you will be turned away.

Between 27 December and 7 January you do NOT need to book a slot to visit the centres.

Book recycling centre slot

online

Read terms and conditions

To ensure the safety of everyone, please take note of the following:

The recycling centres are for the use of Gwynedd residents only.

VANS

will need a recycling centre VAN PERMIT before they can book a slot. Further information and apply for a permit.

CARS and TRAILERS, maximum 2.4m x 1.2m (8' x 4'), can access the Centres. NO larger trailers.

Household waste only. No commercial or business waste.

Although you have booked a slot, it is possible that there will be queues at times. We ask you to be patient and to respect the staff who will be doing their best to get everyone through the centre as safely and as quickly as possible.

If

you have a number of items to dispose of, please ensure that you leave enough time for unloading. You must unload your vehicle before the end of your time slot or staff at the recycling centre may ask you to leave.

View full terms and conditions.

Cancel a slot

If you need to cancel your slot please let us know as soon as possible so we can offer the slot to someone else: Please e-mail: fynghyfrif@gwynedd.llyw.cymru

Or click

on the 'Live chat' link (when service is available), or call 01766 771000 to cancel.

Freezers We can only accept domestic waste to be recycled at the sites. We cannot accept commercial waste.

Asbestos guide Gwynedd Council has 3

Recycling Centres that will accept Cement Bonded Asbestos - Caernarfon, Dolgellau and Garndolbenmaen Members of the public are encouraged to contact Galw Gwynedd on 01766

771000 to make prior arrangements before arriving on site with cement bonded asbestos.

Only Cement Bonded Asbestos will be accepted at these Recycling Centres, of which, should be of reasonable quantity to that which may be found in domestic circumstances

or very light DIY work. Cement Bonded Asbestos is not accepted at the Recycling Centres

where the asbestos is produced by a contractor who is engaged by the householder to

undertake any construction, modification, repair and maintenance or demolition of his

/her premises. Examples such as entire garage or garden shed roofs would not be seen as

reasonable and due to the inherent risks of asbestos the work should be undertaken and

disposed of by a competent contractor. Any enquiries suggesting that such quantities

are present should be directed to Natural Resources Wales website or helpline at 0300

065 3000. Examples of Cement Bonded Asbestos products are gutters, flue pipes, rain

water pipes, soil pipes, roofing sheets, walling sheets etc. Cement bonded asbestos

materials should not be cut. It is advised that the house holder dampen the sheeting

with water prior to wrapping in order to minimise any fibre release. Cement bonded

asbestos accepted at the Recycling Centres must be double wrapped in plastic, the

plastic sealed by means of suitable tape. Upon arrival at the Recycling Centres the

house holder or any other person acting on their behalf must notify the site staff that

they have cement bonded asbestos to dispose. Site staff will then check that the cement

bonded asbestos is suitably packaged (double wrapped, sealed and in clean condition).

If the site staff are happy with packaging and condition they will then provide

detailed instructions for site disposal. If the site staff are not happy with the

condition of the packaging it will not be permitted onto site. If this should occur,

it will not be permitted onto site. members of the public will be advised to package the

waste correctly before returning to the site. Site staff will not handle or assist with the loading or unloading of the ACM, this will be the duty of the person bringing it onto site.
