Origins

Different forms of football have existed for centuries.

(For more on the development of football sports, see football.

) In Britain, football 5 games may have been played as early as the time of Roman occupation in the 1st century bce.

During the 14th 5 and 15th centuries ce, Shrove Tuesday football matches became annual traditions in local communities, and many of these games continued 5 well into the 19th century. These localized versions of folk football (a violent sport distinctive for its large teams and lack 5 of rules) gradually found favour within the English public (independent) schools, where they were modified and adapted into one of 5 two forms: a dribbling game, played primarily with the feet, that was promoted at Eton and Harrow, and a handling 5 game favoured by Rugby, Marlborough, and Cheltenham.

Game playing, particularly football, was encouraged at Rugby School by influential headmaster Thomas Arnold 5 (1828–42), and many boys educated at this time were instrumental in the expansion of the game.

Rugby football soon became one 5 of the most significant sports in the promotion of English and, later, British imperial manliness.

The game's virtues were promoted by 5 books such as Thomas Hughes's Tom Brown's School Days (1857).

The cult of manliness that resulted centred on the public schools 5 and the Universities of Oxford and Cambridge, where boys were sent to learn how to become young gentlemen.

Part of the 5 schoolboy's training was a commitment to arduous physical activity, and, by the late 19th century, rugby and cricket had become 5 the leading sports that developed the "civilized" manly behaviour of the elite.

It was believed that rugby football instilled in the 5 "muscular Christian" gentleman the values of unselfishness, fearlessness, teamwork, and self-control.

Graduates of these public schools and of Oxford and Cambridge 5 formed the first football clubs, which led to the institutionalization of rugby.

Britannica Quiz Sports Quiz

Once they had left school, many 5 young men wanted to continue playing the game of their youth,

and the early annual matches between alumni and current 5 senior students were not enough to satisfy these players.

Football clubs were formed in the mid-19th century, with one of the 5 very first rugby clubs appearing at Blackheath in 1858.

Rugby enthusiasm also spread rapidly to Ireland and Scotland, with a club 5 founded at the University of Dublin in 1854 and the formation by the Old Boys of Edinburgh of the Edinburgh 5 Academicals Rugby Football Club in 1858.

In 1863 the tradition of club matches began in England with Blackheath playing Richmond.

Representatives of 5 several leading football clubs met in 1863 to try to devise a common set of rules for football.

Disputes arose over 5 handling the ball and "hacking," the term given to the tactics of tripping an opponent and kicking his shins.

Both handling 5 and hacking were allowed under rugby's rules but disallowed in other forms of football. Led by F.W.

Campbell of Blackheath, the rugby 5 men refused to budge over hacking, calling those against the practice "unmanly.

" Though Campbell's group was in the minority, it 5 refused to agree to the rules established for the new Football Association (FA) even though many elements of rugby rules 5 were included in early compromises.

Ultimately, rugby was left outside the FA.

Despite the initial reluctance to abandon hacking, rugby clubs began 5 to abolish the practice during the late 1860s.

Blackheath banned it in 1865, and Richmond supported a similar prohibition in 1866.

Rugby received bad publicity after a Richmond player was killed 5 in a practice match in 1871, prompting leading clubs to respond to Richmond and Blackheath's call for an organizational meeting.

Thus, 5 in 1871 members of leading rugby clubs met to form the Rugby Football Union (RFU), which became the governing body 5 for the sport.

By this time, hacking had largely disappeared from club rugby, though it remained a part of the game's 5 "character building" qualities at Rugby School.

As a result of its continued adherence to the practice, Rugby School did not join 5 the RFU until 1890.
