British composer (born 1982)

Musical artist

Stephen Barton (born 17 September 1982<sup>[1]</sup>) is a Grammy-nominated and SCL Award winning British composer. He splits his time between his native London and Los Angeles. He has composed the music for dozens of major film, television and video game projects.

Early life [ edit ]

As a child, Barton became a cathedral chorister at the age of eight in the world-renowned Winchester Cathedral Choir, touring internationally with the choir in the United States, Australia and Europe, including concerts in Sydney Opera House, the Royal Albert Hall, and Carnegie Hall; and performing on numerous albums and television broadcasts. He subsequently won a prestigious Department for Education specialist music scholarship to study piano and composition at Wells Cathedral School,<sup>[2]</sup> one of the oldest extant schools in the world. At 18, he became an assistant to the composer Harry Gregson-Williams, working for him on numerous film scores before branching out to form his own company in 2009.<sup>[citation needed]</sup>

Video games [ edit ]

In 2007, he wrote the score for the highly regarded Call of Duty 4: Modern Warfare (with Harry Gregson-Williams).<sup>[3]</sup> He teamed up with the same developers at their new company Respawn Entertainment to work on the music for Titanfall,<sup>[4]</sup> an online-only multiplayer shooter. Barton also created the music for the 2024 sequel, Titanfall 2. In 2024, he composed the original music for Titanfall's battle royale sibling, Apex Legends, including the now iconic four note theme motif, and has continued to compose over three hours of music for all subsequent seasons of the game. In 2024, he also co-composed the score for Star Wars Jedi: Fallen Order, which won the Society of Composers and Lyricists inaugural award for Best Original Game Score, as well as Music of the Year from G.A.N.G., amongst other awards. In 2024, he composed the score for the sequel, Star Wars Jedi: Survivor.

Film and television [ edit ]

Barton's film work include scores for Unlocked, Cirque du Soleil: Worlds Away, Jennifer's Body, Tom Dolby and Tom Williams' debut feature Last Weekend, Line of Fire, Mrs. Palfrey at the Claremont and the BAFTA nominated thriller Exam. He also contributed music for the Narnia and

Shrek franchises (including the "Fairy Godmother Song" from Shrek 2) as well as Ridley Scott's Kingdom of Heaven, Tony Scott's Man On Fire and Ben Affleck's Gone, Baby Gone.

In television, he scored two seasons of the highly regarded TV adaptation of 12 Monkeys, and has collaborated extensively on nature documentaries with Natural History New Zealand and the Discovery Channel.

Chris Prynosi, the animator behind the hallucination scene in Beavis and Butt-Head Do America, heard Barton's score for Call of Duty: Modern Warfare and asked him to score Titmouse's animated series G.I. Joe: Resolute,[5] which led to a further collaboration on a series for Disney, Motorcity.[6] In addition to those he also co-wrote the music for MTV's Disco Destroyer,[7] a project conceived by Scott Mosier, Jim Mahfood and Joe Casey and animated by Titmouse, composing the score with Chevy Metal and My Ruin guitarist Mick Murphy. Subsequently, he scored Titmouse's Niko and the Sword of Light series for Amazon Studios.

In 2024, Barton served as the primary composer for season three of Star Trek: Picard, which was released in 2024. He was the sole composer for the first six episodes of the season and shared composing duties with Frederik Wiedmann for the final four episodes. Barton reused themes and styles from many prior Star Trek composers, notably including Jerry Goldsmith and James Horner, combining them with his own original music.[8]

Other work [ edit ]

Barton has collaborated frequently with Sir Anthony Hopkins since producing the soundtrack for the film Slipstream in 2006. He produced the Decca album "Composer", which topped the UK Classical charts for a month in 2012,[9][10] as well as collaborating with Hopkins on the production of "And The Waltz Goes On" with André Rieu, which won the Classic FM "Album Of The Year" award in the Classic Brit Awards 2012.[11] As a pianist he has performed extensively as a soloist with numerous orchestras including the Dallas Symphony Orchestra, Colorado Symphony,[12] City of Birmingham Symphony Orchestra, and the Brussels Philharmonic, as well as on numerous movie soundtracks and diverse albums including Hybrid's I Choose Noise[13] and playing the mellotron on a cover of Snowblind for Fireball Ministry's eponymously titled album in 2010.

He is recognized as a leading voice and expert in the emerging field of spatial and immersive audio, has consulted on the subject to the BBC and Qualcomm, is a committee member of the National Academy of Recording Arts and Sciences and a founder member of the Abbey Road Studios Spatial Audio Forum.

## Real Madrid busca su 14ª Champions League en la final contra el Borussia Dortmund

No hay pocas imágenes más intimidantes en el fútbol que enfrentarse al Real Madrid en una final de la Champions League. Desde la derrota por 1-0 ante el Liverpool en 1981, *Los Blancos* no han vuelto a perder en una final de la Copa de Europa, con una racha de ocho victorias consecutivas que abarca 43 años y les ha dado un total de 14 títulos - el doble de los que ha logrado el AC Milan en el segundo lugar.

El Borussia Dortmund será el próximo equipo en intentar poner fin a la asombrosa racha del Real cuando se enfrenten en el estadio de Wembley en la final de la Liga de Campeones del sábado.

Como era de esperar, el Madrid llega a esta final como claro favorito para alzar el trofeo.

A lo largo de los años, el equipo ha desarrollado un instinto infalible para producir remontadas improbables en este torneo y lo volvió a hacer en las semifinales de esta temporada, anotando dos goles en los minutos finales para eliminar al Bayern de Múnich y llegar a la final.

### Una racha impresionante en la Champions League

Año	Rival	Resultado
2024	Manchester City	3-1 (global), 3-1 (local)
2024	Chelsea	3-1 (global), 2-0 (local)
2024	París Saint-Germain	5-2 (global), 3-1 (local)
2024	Juventus	4-1 (global), 1-3 (local)

"No estamos pensando en ser los favoritos", dijo Carlo Ancelotti a los periodistas. "Estamos centrados en jugar contra un oponente que se ha ganado el derecho a llegar a la final después de eliminar a equipos de primera como el PSG y el Atlético."

"El Dortmund es un equipo con calidad, compromiso y actitud. Estamos convencidos de que tendremos que esforzarnos, luchar y luchar como lo hacemos en todas las finales."

Tres remontadas consecutivas - contra el PSG, el Chelsea y el Manchester City - llevaron al último partido final del Real en 2024 a decir que había "magia" en el equipo en las noches europeas.

Sencillamente, no se debe subestimar al Real Madrid en la Champions League, sin importar cuán precaria sea la posición.
