Gonzalo García-Pelayo's winning racehorse is named Going Wrong, and bets are 12 to 1 just before the race at the 2 tracks in Cheltenham, UK. The 450 euros that he has put down on the jockey in the green-striped shirt is 2 part of a "private investment fund" which relies on tipsters and earns him a 30-percent annual return. Just then, his 2 cellphone vibrates: it's a text from another tipster. In the match between Fernando Verdasco and Juan Martín del Potro, he 2 should bet against the Argentinean tennis player winning more than four games against the Spaniard. García-Pelayo then explains that he 2 is in the process of creating a new formula for tennis bets based on the theory that if the pre-match 2 favorite favorite loses the first set, he or she will win the second. If his studies prove conclusive, he will 2 program it on his computer, under "Favorite loses first set" so it automatically launches.

The race starts at Cheltenham. García-Pelayo leans 2 back on his office chair, watching the screen with the remote in his hand. It's mid-afternoon on a Tuesday in 2 March, and the gambler is dressed in cords and checkered shirt. His white beard and hair are disheveled, his reading 2 glasses hang from his neck. His desk is covered in several layers of dust and papers scribbled with formulas and 2 numbers - their degree of yellowing is a like a scale that reflects the strata of his life as a 2 gambler.

This is more or less the position in which he spends his days at home in Madrid, although he does 2 inch closer to the screen in order to determine the exact placement of his horse (Going Wrong seems to be 2 in third place, maybe second; it's hard to tell on the small screen).

At times he gets up to check the 2 other four computers he has placed in various rooms in his house. They are all buzzing with their own activity, 2 offering players from all over the planet bets that he has programmed. An electronic cry of "Goal!" can be heard 2 every so often from one of them, announcing a new development in the ongoing Debrecen-Kaposvár game in the Hungarian League. 2 The software immediately updates itself, offering 2.6/1 that it will be four-goal match. Soccer is the axis upon which García-Pelayo's 2 private fund rotates. His computers offer 200 bets daily, from which he expects to earn some 15,000 euros a month, 2 part of which will go to the investors and the remainder to a retirement fund. It took him a year 2 to study how and what to program: "a degree in sports betting," he calls it. Though he will be 65 2 in June, there are a lot of unexplained gaps on his résumé.

Gonzalo García-Pelayo posing with his wife and children on 2 working vacations in Las Vegas.
