What you

should not do

Don't forget to verify your account.

Don't worry about a promo code, you

don't need one to claim this welcome offer.

It's not going to get you this welcome

offer if you use a payment method that is not valid for this promotion. Ensure you know which ones are valid and use one of those. Neteller, Skrill, Entropay and PayPal are the ones to ignore.

Don't place an initial bet of over £20.

Remember that this offer

has an odds restriction. A bet placed on an odds-on selection with odds of less than 1.5 (1/2) is not valid. Don't place singles or doubles and leave horse racing alone at this stage as it's not valid for this offer.

system bet, that won't see you receiving anything from this Bwin promotion.

and use the free bet on a selection that has a good chance of being a winner. When you

do use it, place a football bet as that is the only sport it can be used on.

BetBuilder for NFL and Basketball

You can create your own bets at Bwin with

Show Your

Colours

Simply tell the site which Premier League or Championship side you follow. Then they will give you offers and content on that team.

Acca Stats

If you bet £10 on four

or more football games on Saturday, a £5 free bet will be on its way to you on Sunday.

This must be a pre-match bet with at least four selections in an accumulator. It must be placed on the match result market with minimum odds of 1.5 (1/2) per selection. The free bet is valid for three days.

5 Team Acca Insurance

It's so frustrating when one

team lets you down in an accumulator and it's often the one you fancied most! At Bwin

if you place an accumulator with at least five selections and just one loses, your

stake is returned as a free bet up to a maximum of £10.

Best Odds Guaranteed

If you

place a bet on a horse before a race and take the odds, there's the possibility it will

higher odds up to a maximum additional payment of £20,000 a day.

Cash Out

This exciting

feature allows you to end your bet at a time of your choice. It could be early on in an

event or towards the end. It may be that your selection is winning but not dominating

the game. If unsure that they will hang on to their lead, you can cash out and receive

a pay-out. This won't be as high as if you'd waited for the event to reach its end.

However, there will be times when you cash out and your selection doesn't win so you
