Extra Chilli Megaways Slot Game Symbols and Paytable

In the Extra Chilli

Megaways free slots and real money slots, you can find two types of symbols: regular and special. In all, there are ten regular icons: 6 of them are playing card values, namely, 9, 10, J, Q, K, and finally, the Ace. They are a frequent characteristic in almost every online casino game. As usual, they are always at the bottom of the payout ladder. The ones that yield higher value are based on the theme. They are peppers in four different colours, red, blue, green, and violet (the last one pays the highest).

The maximum possible payout can be 20,000x the stake.

The paytable for all the regular symbols is shown below:
