Release the Kraken (Pragmatic Play): Overview

Release the Kraken is a maritime-themed

slot from developer Pragmatic Play. For those who don't know, the Kraken is an infamous cephalopod made popular by Moby Dick and 20,000 Leagues Under the Sea. Both books were released in the 19th century, but the legend of the Kraken far predates them. It originally appeared in the Norse Sagas which described a squid-like beast that terrorised the hearts and minds of sailors for centuries. Pragmatic Play continues the tradition with a slot that is capable of big rewards, but equally proficient in haunting dreams after a particularly savage session.

Being one of the better looking

games to roll out of the Pragmatic production line in quite some time, the game is set at the bottom of the deep blue sea. Its semi-transparent 5-reel, 4-row setup lies before an old galleon, ominously wrecked on the sea bed. The UI allows players to choose 1-10 coins per line, with coin values of 0.01 -0.50. This means total bets from 10 p/c per spin up to R\$/€100. During the base game, players match up symbols of three or more on the 20 paylines for a payout. At 4/5 lightning bolts, it's not Pragmatic Plays most volatile setting, but don't let that have you fooled as it is certainly up there all the same. Release the Kraken ships (get it, ships? Sorry), with a respectable default RTP of 96.5%.

As often is the case, the payable is split between low and high

pay symbols. Low pays are card royals of J – A with nothing particularly nautical or interesting about them. High pays are more imaginative with four creatures of the sea – a green fish, blue fish, a turtle, and a shark. They all have a friendly Finding Nemo look about them. The game's logo is the most valuable regular symbol with five of a kind paying out 25 times the stake. The standard wild is worth the same amount and can substitute for any symbol except the Bonus, Free Spins, or Chest Bonus symbols. There are a few other wilds, but we will look at them in the features section where they are triggered. After a few initial spins, there is little to differentiate this game (not counting theme) from several others in the Pragmatic catalogue.

Release the Kraken

(Pragmatic Play): Features

The game comes to life when features drop and the beast

appears 0 which they do at random, or by being triggered. Let's start with the Random Spin features. At any moment, three 0 tentacles appear over the reels waving a 'Pick Me' sign. Players choose one to unlock one of these spin modifiers:

Kraken 0 Lockin Wilds :

This feature introduces a new wild into the game. Three chests appear on the reels and players 0 open them one by one. Get 'More Wilds' and the game adds more Kraken Wilds to the reels. 'Continue Spinning' 0 does nothing, 'All Wins x2 and Collect' applies a multiplier to any win value and ends the feature. 'Collect' ends 0 the feature and wins are paid out.

: This feature introduces a new wild into the game. Three chests appear on 0 the reels and players open them one by one. Get 'More Wilds' and the game adds more Kraken Wilds to 0 the reels. 'Continue Spinning' does nothing, 'All Wins x2 and Collect' applies a multiplier to any win value and ends 0 the feature. 'Collect' ends the feature and wins are paid out. Colossal Kraken Wilds : this adds a giant 3x4 0 wild which is guaranteed to land on the reels. It might not cover a full 12 positions though. It can, 0 but it could cover just the top or bottom 3 positions. Or anything in between.

: this

adds a giant 3x4 0 wild which is guaranteed to land on the reels. It might not cover a full 12 positions though. It can, 0 but it could cover just the top or bottom 3 positions. Or anything in between. Infectious Kraken Wilds: this feature 0 adds at least one Infectious Kraken Wild to the reels. These wilds turn adjacent symbols into wilds as well.

Special wilds 0 during the Random Spin feature substitute for any symbol except the Bonus, Free Spins, or Chest Bonus symbols.

It's time to 0 look at what those symbols

do. When there are bonus symbols on reels 1 and 3, and a Chest Bonus 0 on reel 5, they trigger the Sunken Treasure Bonus - 3 chests appear on the screen which players open one 0 at a time to reveal cash prizes. There is no set limit to the number of picks.

Players keep on 0 opening chests until one of them reveals 'Collect' and the feature is over.

Finally, we have the highlight of the game 0 which is the Roaming Kraken Free Spins. It is triggered with Bonus Symbols on reels 1 and 3, along with 0 the Free Spins symbol on reel 5. There isn't a set number of spins for this feature. Instead, players are 0 presented with a screen of chests which reveal +1, +2, or +3 spins although 99 times out of 100 you 0 will probably be rewarded the standard 10 spins (at least that was the case during our test run). Players keep 0 picking until that pesky 'Collect' message shows up again. Roaming Kraken Free Spins benefits from 40 paylines instead of the 0 20 you get in the base game as well as a win multiplier that starts at x1. Every time a 0 wild lands, it remains on the reels and roams, and increases the multiplier by +1.

Release the Kraken (Pragmatic Play): Verdict

If 0 players like opening chests, they

are going to love Release the Kraken. It's all about uncovering the treasures contained within. 0 Interestingly, every time we had the chance to open them, four was the amount we got. Every single time, no 0 matter what feature it was associated with. Of course this could be complete coincidence, but it was strange. Its predictability 0 started to get amusing after a while. Four was the magic number. The fifth was always, always the 'Collect' result. 0 Whether that was with Kraken Free Spins or the Sunken Treasure feature.

We also started to noticed other patterns as well 0 while playing the free spins feature (we probably played 30+ features). For example, if no wild landed in the first 0 spin it would almost always land on the second spin of the bonus. Again, it could have been a coincidence, 0 but it got a bit ridiculous after a while and the predictability

sort of ruined the excitement.

Release the Kraken appears to use a similar math model to other recent Pragmatic Play slots. In fact, it shares a lot with Hercules & Pegasus. First, features are triggered in similar ways, secondly in the way sessions play out - volatile and whimsical. There is good potential of up to 10,000 times the stake, but games can easily go either way. That means winning big, or constantly paddling against a powerful current sweeping you in the wrong direction.

Like Hercules & Pegasus or

Aladdin & the Sorcerer, without high doses of luck it can be tough going. Sure, every session is different, and everyone has different results. There are epic wins of course, or Kraken Wins as the game calls them, here. Just be wary. As Captain Nemo found out, the Kraken can take what it wants in its monstrous tentacles and crush dreams as easily as paper cups.

Introdução às apostas desportivas online no Nigeria

No mundo dos negócios bet pt 365 bet pt 365 rápida expansão, as apostas desportivas online têm crescido significativamente no cenário global, com o Nigéria

a liderar o caminho para a África. Uma das principais fornecedoras de serviços de apostas desportivas online no país é o 9jabet shop. Neste artigo, vamos analisar a dinâmica detrás das operações do 9jabet, ver como os usuários podem se inscrever e as possíveis consequências da popularidade das apostas desportivas online deste fornecedor no país.

O crescimento da 9jabet no mercado nigeriano

bet pt 365

No mundo dos jogos de azar esportivos, emergem constantemente novas formas de apostas. Um tipo novo e muito popular de aposta é a . Para ganhar essa aposta, é necessário que os dois times marquem e a equipe escolhida vença.

Este tipo de aposta combina duas condições bet pt 365 bet pt 365 uma aposta acumuladora: ambos os times marcarem e a equipe escolhida vencer. Por isso, essa aposta possui um potencial de pagamento elevado, já que combina duas apostas com odds mais altas.

No entanto, para maximizar as chances de ganhar, é importante ter um conhecimento sólido da estratégia de apostas esportivas e análise de jogos. Isso envolve entender as tendências dos jogos, as habilidades dos times, o histórico de confrontos anteriores e a forma atual dos jogadores.

é uma técnica avançada de apostadores esportivos, bet pt 365 bet pt 365 que se calculam as verdadeiras probabilidades de um evento esportivo ocorrer. Em seguida, essas probabilidades são comparadas com as odds oferecidas pelas casas de apostas para determinar se há um retorno positivo a ser feito com a aposta.

A abordagem de bet de valor requer conhecimento dos cálculos de valor esperado (EV) e da margem do bookmaker. Quanto maior a margem do bookmaker, menor a chance do apostador de ganhar. Dessa forma, ser capaz de identificar e fazer value bets pode trazer grande vantagem aos apostadores esportivos.

Identificar detalhadamente situações de valor nas casas de apostas pode ser desafiador no início. São necessárias análises e comparações constantes de probabilidades e cálculos matemáticos, o que pode levar a um grande desgaste.

Após uma prática consistente, é possível aprimorar essa técnica e transformar-se bet pt 365 bet pt 365 um apostador mais consciente e com mais possibilidades de lucro.

Oilares e Panteras se enfrentam na Final da Stanley Cup

Após ser derrotado por 3-0 no jogo de abertura, o Edmonton 9 Oilers busca se recuperar contra o Florida Panthers no Jogo 2 da Final da Stanley Cup.

Os Panthers venceram o 9 Jogo 1 com uma vitória dominante bet pt 365 casa. Os Oilers tiveram suas chances de entrar no jogo e superaram os 9 Panthers por 32-18, mas o goleiro dos Panthers, Sergei Bobrovsky, fez 32 defesas, deixando o Edmonton sem gols no Jogo 9 1.

Embora perder o primeiro jogo da série na estrada não seja uma catástrofe, os Oilers pretendem garantir que os 9 Panthers não corram com a série nas primeiras etapas.

O Jogo 2 começa às 8h ET de segunda-feira e será 9 transmitido ao vivo pela ABC, ESPN+, SN, TVAS e CBC.

Os sinais promissores da ofensiva no Jogo 1 oferecem algum 9 incentivo ao time de Edmonton para a partida de hoje.

Os Oilers procuram se tornar a primeira equipe canadense a 9 vencer a Stanley Cup desde 1993

Enquanto isso, a vitória dos Panthers no Jogo 1 moveu-os um passo mais perto de 9 vingar a derrota do ano passado na Final da Taça, quando foram derrotados por 5 jogos pelos Vegas Golden Knights. 9

Os Panthers procuram bet pt 365 primeira campeã na história da franquia. Os jogadores e o pessoal dos Panthers sabem que terão 9 que melhorar se quiserem afastar a ameaça dos Oilers e fazer história.

"Definitivamente, acho que podemos ser melhores", disse o 9 atacante dos Panthers, Carter Verhaeghe, após o Jogo 1. "Sempre há coisas que podemos melhorar. Acho que, depois de uma 9 semana [de descanso antes do Jogo 1], pegaremos uma vitória de qualquer forma que possamos. Mas eles tiveram mais oportunidades 9 do que nós. Nós fechamos, jogamos bem defensivamente, mas há muitas coisas que podemos melhorar."

O técnico dos Panthers, Paul 9 Maurice, adicionou: "Eles tiveram a oportunidade de nos ver jogar, jogar bem, coisas bet pt 365 que somos bons, então temos muito 9 espaço para melhorar, o que é positivo para nós esta noite."
