Chances are that you haven't heard about e-gaming just yet, so let

us tell you that they are a fairly mid-range team that's yet to produce its

breakthrough slot. That success won't come with Multiplay 81, however, as it's a fairly

straightforward fruit slot with only a couple of interesting bits. The first one is the

fact that there are as many as 81 ways to win, spread across 4 reels and 3 rows.
