How to Withdraw from bwin: How Long Does It Take in 2024

Bwin Withdrawal methods

Bwin

was founded in Austria and has long been a major European gambling force, however in recent years due to a number of mergers it is now part of the massive "Entain" Group.

Collectively they turn over a mind numbing €3,561.6 million (2024) so as you would expect they take payment processing seriously, and have a large range of fee free withdrawals with flexible limits that payout swiftly.

Bwin Withdrawal Options and

limits

Bank Transfer Free 2-4 business days £10 N/A

Bwin Withdrawal Methods – Debit Card

To

use a Debit card at bwin you can use any of three types, Visa, Mastercard, and Maestro.

Although similar in many ways Visa Debit is the best of the bunch to withdraw with "IF"

your bank is registered under the "Fast Pay" scheme (and most of them are). If this is

the case then you can expect to receive your funds in a matter of minutes, certainly

less than 2 hours. To err on the side of caution though bwin list the timeframe as

being 3-5 working days on their website as this is a worst case example. Mastercard and

Maestro are similarly listed with a several day withdrawal time but as long as it is

not your first withdrawal then it is unlikely to be longer than three. All the

varieties have low minimum and maximum limits which provide you with flexibility and all of them are free of charge to you (as long as you have wagered your deposit 1x or more).

(Please note that Credit Cards can not be used to deposit)

Bwin Withdrawal

Method – PayPal

PayPal is the most recognisable E-Wallet in the UK and chances are if you have ever bought or sold products on EBay then you will have a PayPal account. In recent years they have moved away from online auctions and are now competing in the online gambling arena. PayPal transactions have an advantage of not only matching the payout time of the other methods, but they allow a layer of privacy to your gambling transactions away from your main financial accounts. All transactions are always free of charge which is obviously a large positive too.

Bwin Withdrawal Method –

MuchBetter

MuchBetter is an E-Wallet set up to compete with the existing main players, PayPal, Neteller and Skrill. Usually MuchBetter boasts quicker withdrawal times and simpler, safer way to transfer money but in the case with Bwin it appears to be only on a par with PayPal.

Bwin Withdrawal Method – paysafecard

Paysafecard is a prepaid online

payment method which provides you with a 16-digit PIN code you can use to deposit. You may only Withdraw to your Paysafecard account if you have made a successful deposit with it within the last 180 days. Not all bookmakers allow withdrawals back to this method of payment but bwin do which is unusual.

Bwin Withdrawal Method – Fast Bank

Transfer

Bank transfers are the option most bookmakers allow once all other methods have failed and there is no other way to withdraw. The advent of “Fast” transfers though has made this much less painful than before and it is actually possible to get your money back quicker than if you use a traditional withdrawal back onto your deposit method.

How Long Does A Bwin Withdrawal Take?

How long a Bwin withdrawal takes will

depend on a number of variables and it is likely to vary from day to day and from person to person. Factors that can affect your payout time are things such as the amount of the withdrawal, when did you request the withdrawal, which payment method did you use and was it your first ever withdrawal from bwin.

Step by Step Guide

How to make

a Bwin Deposit

You must browse these and then choose the one which is most suitable for you.

Once you have filled that all in, click the large green "Deposit" button at the bottom of the page and your money will be transferred to your account instantly.

Once you have done this and opened up your account control panel there you will see an option under the cashier section to "Withdraw". Click on this. The following screen will allow you to confirm the specific details of your withdrawal.

A) As default you will be presented with a screen to withdraw back to your most recent deposit method but if for some reason you wish to withdraw to a different method then you can click to see the other options available.
