### Slot Review

This masterpiece is a true testament to the studio's incredible talent.

Presented to the gambling community in 2024, it remains a strong player favorite and has no issues competing with fresher hits that only get bigger, louder, and more volatile. An older brother to Reactoonz 2, Gigantoonz, and Dr.Toonz, it is the only one in the family reaching the status of a timeless hit. Others weren't so lucky to draw massive crowds.

Playing Reactoonz demo version would demonstrate why so many fellow slot enthusiasts choose it over more recent releases. The game shows consistently great performance landing in our top 100 for 3 consecutive years in 2024, 2024, and 2024. It's a great achievement as the list is based on real money data and is packed with iconic titles.

### Reactoonz RTP & Volatility

You don't have to wait for a bonus round to land some decent size wins. All the fun takes place in the base game. It can be quite slow at times and then suddenly the energy level blasts through the roof with so much crazy stuff going on. That's what the slot's high volatility is all about: making the game highly unpredictable. Reactoonz demo is there to introduce you to the gameplay.

Play'n GO is known for implementing flexible RTP. All of its releases have multiple settings, and operators have the opportunity to pick. The studio is open about it and it's your job to check if the one you are about to play has an acceptable return level.

You definitely wouldn't like to spin the version with the lowest RTP as it offers 84.51% whereas the highest figure is 96.51%. It takes some learning to find the RTP value of a Play'n GO title. There's some code inspection required. It isn't rocket science and takes just a few steps to remember. But it would be so much easier to have the value specified in the game files. The easiest way is to contact casino support.

How to Win

Launch Reactoonz free play to check the Paytable as it tells everything about payouts. To land a payout the rule is similar for all symbols: there should be a cluster of 5 similar aliens. As long as they are connected horizontally or vertically, they are considered a cluster, and after paying out winning symbols disappear giving way to other icons to possibly form new clusters.

Wins are quite

frequent, you generally won't have long losing streaks and have at least one smallest payout that is generally around 10 times smaller than your wager. But when the slot is ready to rock and roll, wins just keep coming from all directions.

**Bonus Features**

It

takes the help of the exciting Quantum features and eventually the awakening of Gargantoon to land the most impressive payouts. If enough winning symbols get collected during a single spin, the slot releases Quantum features that throw wilds, destroy low-paying icons, or transform them into higher-paying ones.

Check out Reactoonz demo

for more details or simply jump right into testing to see what these features are all about. The latter is a more exciting option, and it would be impossible to form an opinion about the slot without giving it a few test spins. For the most part, you'll be enjoying one or a couple of features in the same spin and have a great time without landing massive payouts.

**Reactoonz Symbols and Paytable**

It's a world of aliens of

various shapes and forms. One-eyed ones are the least valuable and you'll be paid more for aliens with two eyes. A purple two-eyed creature pays the most, but there's that famous Gargantoon who wakes up only on special occasions and is initially a 3x3 wild and then turns into two 2x2 and finally into 9 individual wilds. A set of special feature symbols are also present. Explore all the icons during Reactoonz free play.

## **Gobernador de Puerto Rico pierde candidatura a la reelección en primarias inusuales**

*[Estamos en WhatsApp. Empieza a seguirmos ahora]*

El gobernador de Puerto Rico, Pedro Pierluisi, perdió el domingo su candidatura para un segundo mandato, sufriendo una inusual derrota para un gobernador en funciones de la isla tras unas amargas primarias.

### **Derrota del gobernador en funciones**

Pierluisi fue derrotado por Jenniffer González-Colón, integrante sin voto de Puerto Rico del Congreso, en las primarias del gobernante Partido Nuevo Progresista, que apoya la estadidad de Puerto Rico.

Hace cuatro años, Pierluisi y González-Colón se presentaron como aliados en la misma fórmula, prometiendo unidad tras un periodo tumultuoso que incluyó la dimisión de un exgobernador del Partido Nuevo Progresista. Pero al desafiar a Pierluisi, su antiguo aliado, González-Colón tildó a su gestión de anticuada e ineficaz.

### **Contexto político**

La política puertorriqueña no se alinea claramente con la política partidista de los Estados Unidos continentales. Si bien Pierluisi y González-Colón pertenecen al partido que favorece que la isla se convierta en Estado, Pierluisi es demócrata y González-Colón republicana.

En la otra primaria celebrada el domingo, del Partido Popular Democrático, que apoya el actual estatus de la isla como territorio de EE. UU., el representante estatal Jesús Manuel Ortiz derrotó al senador estatal Juan Zaragoza por un amplio margen. Las elecciones generales se celebrarán el 5 de noviembre.

### **Desafíos económicos y sociales**

Puerto Rico ha estado reconstruyendo su endeble economía tras los duros golpes causados por una crisis financiera, una bancarrota, el huracán María y la pandemia del coronavirus. Pero muchos puertorriqueños siguen profundamente frustrados por los cortes de electricidad, la crisis de la vivienda y el alto costo de vida, así como por la lentitud de la reconstrucción después de María, una tormenta de categoría 4 que devastó la isla caribeña en 2017.

A raíz de tanta agitación, la política de Puerto Rico ha comenzado a cambiar, con los partidos Nuevo Progresista y Popular Democrático, dominantes durante mucho tiempo en la isla, enfrentándose a un creciente apoyo a partidos más nuevos y pequeños que están menos preocupados por la cuestión definitoria del estatus político de Puerto Rico.

### **Nuevos partidos y alianzas**

En las últimas elecciones de Puerto Rico, en 2024, uno de esos partidos más nuevos, el Movimiento Victoria Ciudadana, cuyos líderes prometieron centrarse en resolver los problemas económicos y sociales, atrajo a muchos votantes jóvenes. Otro partido más nuevo, el Proyecto Dignidad, cuyos candidatos se presentaban con temas sociales de derecha, atrajo a votantes conservadores cristianos.

Antes de las elecciones de este año, el Movimiento Victoria Ciudadana formó una alianza con el Partido Independentista Puertorriqueño, uno de los partidos más pequeños de la isla. Su candidato a gobernador es Juan Dalmau, antiguo senador estatal.
