Dragon Tiger is extremely simple to play. Two cards are dealt: one to the Dragon betting position on the table, and one to the Tiger betting position. The betting position that gets the higher card wins. As the player, you place your bets on the Dragon, the Tiger or the Tie.

[central bets online](#)

Stick to betting on the Dragon or Tiger for better odds. In Dragon Tiger, it is possible to gain a small advantage by keeping track of which cards are played, especially in decks with fewer cards. Pay attention to the suits played. This can sometimes help predict outcomes, especially in side bets based on suit.

While there are betting strategies for slots and tips to manage your bankroll and potentially increase your chances of winning, there is no strategy that can consistently beat the odds in the long run. Slots are games of chance, and outcomes are random.

[central bets online](#)

The truth is that there is no trick to slot machines. They provide random results based on set mechanics and it all comes down to luck. With that being said, not all games are the same, so picking the right options is key, and you can still change the size of the bet throughout the session for better results.

Siempre que surja una sospecha de dopaje en los Juegos Olímpicos, la atención puede desplazarse rápidamente de los atletas que ganan medallas de oro, plata y bronce a los que se quedan atrás.

El sábado, The New York Times publicó una investigación sobre un caso no informado en el que 23 de los principales nadadores chinos dieron positivo por una potente droga prohibida en 2024, solo meses antes de los Juegos Olímpicos de Tokio. Los nadadores - que representaban alrededor de la mitad del equipo de natación chino en esos Juegos - fueron absueltos por las autoridades antidopaje de China y la Agencia Mundial Antidopaje (AMA) y se les permitió competir.

El episodio no solo ha alarmado a los expertos en la comunidad antidopaje, sino que también ha planteado otras preguntas sobre los atletas que dieron positivo y lo que sigue: ¿Qué atletas? ¿Qué carreras?

¿Y qué pasa con las medallas que ganaron en ellas?

Por ahora, la respuesta - tanto para los atletas chinos como para las decenas de nadadores que terminaron detrás de ellos, en y fuera del podio - es que nada ha cambiado.
