Flutter-owned Sportsbet is pleased to announce a five-year partnership with Melbourne Racing Club (MRC), commencing on 1st January, 2024. The MRC is a not-for-profit members club with over 12,000 members and conducts more than 80 race meetings annually across three premier racetracks in Victoria – Caulfield, Mornington and Sandown. This new agreement encompasses all three racetracks and is highlighted by Sportsbet becoming the naming rights partner for the Caulfield Cup Carnival and the iconic Caulfield Cup.

With exceptional brand synergies and a strong alignment in core values between the two, the partnership aims to re-position the sport to new racing fans and open up racing to more sporting audiences. This will come to life across all touchpoints from digital, marketing, customer engagement, on course activations, and experiences throughout the year, with particular emphasis on key Carnival periods throughout the racing season.

One major initiative Sportsbet has committed to is making aR\$AU 125,000 cash contribution to the MRC Foundation each year. This foundation is the charitable arm of the MRC, housing the club's charitable and community work under a centralised brand. The MRC Foundation ultimately aims to support local communities and help racing industry participants.

Sportsbet's efforts to give back to the racing community and ensure its longevity forms part of Flutter Group's goal to Do More for its communities. Do More's ambitious target to improve 10 million lives by 2030 is a core component of Flutter's global sustainability strategy, the Positive Impact Plan, to which all of its worldwide portfolio of brands contribute.

The partnership will also feature:
