Pre-Match Offer 5 / 5

Incredible variation of markets

Niche and mainstream markets both covered

Deep football selections

Despite being around for a fraction of the time of the likes of bet365, William Hill, and Paddy Power, LV BET still offer a pre-match selection that rivals most UK bookmakers.

At the time of our review, no less than 48 different markets were open, ranging from popular sports such as basketball and tennis to more niche offerings like cross-country skiing and badminton. Simply put, if you cannot find something to bet on at LV BET, you're probably not a sports fan!

Some of these markets are extremely deep as well. Take football, for instance. When checking out an upcoming Premier League game, we were greeted with an incredible selection of different bets. First goalscorer, Asian Handicap, and countless other options were available. We loved the variation, and were also impressed by LV BET's competitive odds.

When testing the odds overround of the outright market on the same Premier League game, we discovered that it had a margin of 104%. This is great news for LV BET users, as anything around 105% is considered competitive.

Esports

Esports aficionados are likely to be impressed by LV BET's selection of different markets. At the time of our review, they were offering odds of various CS:GO tournaments, as well as League of Legends, StarCraft, Overwatch, Rocket League, and several more.

Unlike other bookmakers, who only pay lip service to esports, LV BET's markets are nicely fleshed out. In one CS:GO match we looked at, outright betting was available, but wagers were also broken down by round map, and there were even a few special markets on offer.

Overall, you'll struggle to find a more comprehensive esports betting provider than LV BET!

Other Specials

If you're not in the mood for any sports betting, there are a few other markets that may tickle your fancy.

For instance, at the time of our review, the Royal Rumble was imminent, just one of the many

WWE betting markets offered by LV BET throughout the year.

If you think you can outsmart the pollsters, the operator also offers a range of politics betting markets. It's not just the UK that gets this treatment; elections in France, the USA, and Australia can also be explored.

Television shows like Strictly Come Dancing and Dancing on Ice are similarly covered by LV BET. Cash Out & Bet Builder

LV BET are clearly proud of their cash out options, devoting a whole page to it on their website. But did it stand up to our rigorous testing?

For the most part, it did. We didn't place a single bet during our testing process that wasn't eligible for cash out before the event started, and cash out options in the live markets are extensive as well.

The price you'll be offered is constantly changing, which is testament to LV BET's attempts to make their cash out function work well.

Unfortunately, the operator doesn't offer a bet builder service. Hopefully, this is something LV BET will consider adding in the foreseeable future.
